VISIT THE MINES

STRIKE ARBITRATORS BEGIN THEIR LABORS.

COMMENCE TOUR OF REGION

DON OVERALLS AND GO INTO A COAL SHAFT.

MUCH INTEREST IN JOURNEY

MINERS RESUME WORK AFTER CELEBRATION.

Scranton, Pa., Oct. 30.—The real work of the arbitration commission appointed by President Roosevelt to adjust the differences existing between the coal operators and their employes began today. Briefly stated the day's work will consist of a general inspection of the inside and outside workings of coal mines and the homes and surroundings of the workmen. All of the region lying north of here to Forest City, a stretch of twenty-two miles, will be gone over. This will take up the entire day. Tomorrow and Saturday the mining region from here south to Wilkesbarre will be looked over.

The commission is making this tour so that the members may gain a better idea of mining in order to more intelligently understand the testimony that will be given by experts on both sides of the controversy. No testimony will be taken during the inspection trips. The commission party consists of fourteen persons.

The entire party, which also includes four general mining superintendents and a number of newspaper correspondents, left the Delaware and Hudson railroad station for Forest City at 10 o'clock in a special train of Pullman cars, the expense of which is being borne by the commissioners. The start was delayed about an hour, owing to the very late arrival of the commissioners in this city last night.

THE COMMISSION'S JOURNEY.

Carbondale, Pa., Oct. 30.—On the run up the Lackawanna Valley the commissioners occupied the observation car and were shown the points of interest. In the car was a very large map showing the veins of coal between Scranton and the upper edge of the coal fields. The commissioners showed great interest in the map and asked the superintendents many questions. Commissioner Watkins, who has an expert knowledge of mining, having been an operator at one time, also explained in detail many features of coal mining. In giving their explanations the experts often used technical terms, such as "robbing the pillars," in each case where a technical term was used a commissioner would ask its meaning.

The news that the president's commissioners would go to Forest City on a special train spread through the upper valley and small groups of people gathered at the various stations along the line of the Delaware and Hudson railroad.

The personnel of the party is as follows: Judge Gray, Colonel Wright, Brigadier General John H. Wilson, Thomas H. Watkins, E. W. Parker, Bishop Spalding, E. E. Clark, commissioners; E. A. Moseley and Charles P. Neill, recorders; Charles Gerry, Charles W. Mouris, Frank R. Hanna and A. G. Edwards, stenographers; Jesse Sears, messenger; General Superintendent R. A. Phillips, Delaware, Lackawanna and Western; E. E. Rose, general superintendent Delaware and Hudson; General Manager W. A. May, of the Erie company; General Superintendent J. R. Bryden, Ontario and Western; General Manager S. B. Thorne, Temple Iron company; T. D. Nicholls, district president United Mine Workers of America; Rev. Peter Roberts and James S. Warwick, both representing the miners; Henry Collins, national organizer United Mine Workers of America.

CROWD AT STATION.

The commission arrived here at 11 o'clock. A small crowd, among them some mine workers, were at the station to see the arbitrators. Carriages were immediately entered and the party was driven three-quarters of a mile to the No. 2 shaft of the Hillside Coal and Iron company, which is operated by the Erie Railroad company. The depth of the mine is 410 feet. This operation is said to be one of the best in the upper region and was selected by the operators. The mine workers' representative will also select a colliery for the inspection of the commissioners.

DON

some distance from the shaft and was taken to the engine room at the shaft in the mine carriage. Judge Gray, Bishop Spalding and the others donned overalls, jumpers and miners' caps, some of the party carrying miners' lamps in their hands while the others had them fastened to the caps. The descent was made at 12 o'clock. There were about 500 men and boys at work in the mine when the party was lowered into the workings.

About an hour before the commissioners arrived at the shaft a Hungarian was killed by a fall of roof in the Clifford mine, which adjoins the one the commissioners inspected. His body was doubled up under the fall, and his lamp failing to go out, set fire to his clothing and practically roasted him.

A THOROUGH INSPECTION.

It was 2:10 p. m. when the commissioners came to the surface. During the two hours spent under ground a thorough inspection was made. The commissioners were taken about a mile from the foot of the shaft and also went into the Clifford mine, which adjoins No. 2 shaft. The arbitrators were greatly interested in the blasting of coal by the miners.

POLICE OPINION OF MAN WHO CONFESSES A MURDER.

Johnson Declares Himself the Slayer of Albert Lattimer, Who Was Killed in New York.

New York, Oct. 30.—William C. Johnson, who gave himself up to the Brooklyn police last night, declaring that he was the slayer of Albert C. Lattimer, who was shot at his home in July last, was questioned today by Detective Captain James G. Reynolds. Johnson was asked to describe the shoes, lantern and cap found on the Lattimer premises following the shooting. He declared that the lantern was a burglar's dark lantern, that the shoes were of the ordinary walking style, and that the cap was of thin black material. He went on: "This cap which you hand me is blue, the one I wore up there was black."

The lantern found by the police in Lattimer's home was a bicycle lantern, the cap was of thin black material and the shoes were low-cut, with felt soles.

When these articles were shown to Johnson he said they were not his. At the close of the prisoner's examination Captain Reynolds said to him that he was either crazy or a liar.

Johnson told the police he lived at 464 North Eighth street, Philadelphia.

Johnson told what purported to be a story of the killing of Lattimer, implicating a man named Walsh, a stranger, whom he said he met in New York. He could not tell where Walsh might be found.

Johnson was held until November 7 to give the police time to look him up and was remanded to jail.

IS NOT KNOWN THERE.

Philadelphia, Oct. 30.—Nothing is known in this city of William C. Johnson, who surrendered to the authorities at the Greenpoint, N. Y., police station, stating that he had killed Albert C. Lattimer in Brooklyn on July 2d. The address given by Johnson, 464 North Eighth street, is a stable and has been for several years. No person by the name of Johnson is known in the neighborhood.

PARIS MUSICIANS STRIKE.

Paris, Oct. 30.—The strike of the members of the orchestras of the theaters and other places of amusement began at noon today. The strikers assembled at the Labor exchange, bearing their instruments. Although the theater managers announced their purpose of fighting the strike, a number of them have already yielded rather than risk the loss which would ensue from a protracted struggle. Most of the large music halls and cafes have also yielded and their orchestras have returned to duty, though a number of them continue to resist and are giving performances without orchestras. The prefect of police having been advised of the intention of the strikers to invade theaters and wreck instruments of substitutes, posted a large force of police to preserve order at the threatened places of amusement.

MUCH OIL ABLAZE

MEYER BROS. DRUG HOUSE WAS THREATENED.

BRISK BLAZE IN BASEMENT

GENERAL ALARM FOR AN EARLY MORNING FIRE.

KEPT LOSS DOWN TO $2,000

THINK SPARK FROM FURNACE STARTED FLAMES.

Fire in the basement of the Meyer Bros.' drug store shortly after 7 o'clock this morning threatened for a time to wipe out the entire block at the southwest corner of Calhoun and Columbia streets and only some excellent work upon the part of the fire department prevented an extensive conflagration. In less than an hour of hard fighting the firemen had conquered the flames, and the total loss will not, it is believed, be greatly in excess of $2,000.

WAS IN OIL CELLAR.

The fire was confined within the limits of the oil cellar, occupying that portion of the basement formed by the Columbia street L of the building. Here were stored barrel after barrel of lubricating oils of every variety, the total quantity amounting to about a car load, and the inflammable stuff furnished the liveliest sort of fuel for the flames.

J. F. W. Meyer, Martin Scheele, a clerk, and Joe Grosjean, a boy employed by the firm, had reached the store at 7 o'clock and were busily preparing for the opening of the day's business. Grosjean had gone to the basement and lighted the furnace, which is inclosed by brick walls in a portion of the basement used as a depository for the oils. He returned to the upper floor, but when he had an errand to the basement perhaps ten minutes later Grosjean discovered that a brisk blaze had gotten a start at the end of one of the long banks upon which the barrels of oil rest.

He called to Mr. Meyer and the two made an ineffectual attempt to quench the blaze with a few pails of water. The character of the burning material made this impossible, however, and Mr. Scheele, who had joined them, telephoned in a fire alarm. The apparatus from the central station, from Washington street and from Bloomingdale responded in an incredibly short time.

SENT GENERAL ALARM.

Great volumes of dense black smoke were by this time pouring up through the grated windows on the Columbia street side of the store, and a similar demonstration was beginning to appear in Calhoun street, while the main store room quickly filled with the suffocating fumes. Chief Hilbrecht was fearful of an extensive conflagration and he at once sent in a general alarm, bringing all the fire-fighting apparatus in the city to the scene. The streets in every direction from the corner were soon a network of hose and at every fireplug in the vicinity a steamer was puffing away vigorously. Street car traffic was blocked some distance away and for an hour the traffic was handled by transfer.

The crowd of spectators was quickly swelled by the moving throngs just coming down town to work and it was the general opinion that the fire would be an extensive one, while many were apprehensive of explosions. Officer Pappert rushed to the upper rooms of buildings adjoining, which were rapidly filling with smoke, and aroused more than a dozen sleeping inmates, who hurried into their clothing and sought places of safety. Forcing their way through the suffocating smoke in the basement, however, the firemen turned stream after stream of water upon the seething mass and they won the fight. At 7:45 o'clock Chief Hilbrecht announced that the fire was checked. A few minutes later it was extinguished.

CAUSE AND LOSSES.

Inside the basement is a charred and blackened mass. Many of the barrels of oil were consumed, the joists supporting the floor are badly burned, and in one place the flames ate their way through the floor. The barrels of oil not consumed are heavily mixed with water, which was poured into the basement in a perfect deluge. The precise origin of the fire is unknown, but it is believed to have resulted in some manner from the furnace. An invoice of the loss is being taken today and an advance estimate places the loss upon Meyer ... os.' stock at $1,500. It is insured ... for $17,000. The ... id ... by William Hahn ... 12,000, is probably ... of $600.

Business went forward uninterruptedly as soon as the fire was extinguished.

TRIED TO BURN A BARN.

Incendiaries made a second attempt last evening to burn the barn of Dr. S. D. Sledz at 240 Douglas avenue, but prompt work upon the part of the fire department kept the loss down to a nominal sum. The fire started near the manger on the west side of the barn, and here were found two paper boxes that had been filled with newspapers and saturated with coal oil. In the top of each box was a short candle of sufficient length to permit the escape of the incendiary before the candle should burn down and set fire to the oil-soaked paper. Only one of the candles had been lighted last night, and it is presumed that the dastard who planned the burning was frightened away before he had time to light the second infernal machine. Five months ago an attempt was made to burn the same barn. The blaze was discovered shortly before 6 o'clock. Two foolhardy drivers attempted to cross the street in front of Electrician Schroeder, who responded to the alarm in the chief's wagon, and Mr. Schroeder was compelled to run his horse and wagon on the sidewalk to avoid a collision. The police department has taken up a rigid investigation of the attempt of the incendiary.

PRISON FOR AUTOMOBILIST

W. B. RAYMOND SENTENCED TO SIX MONTHS.

Severe Penalty for Man Whose Motor Was in Collision With a Trolley Car.

New York, Oct. 30.—Six months imprisonment in the Kings county penitentiary was the sentence pronounced today by City Judge Kellogg, of Yonkers, upon W. B. Raymond, the automobilist, who was arrested after his machine had been in collision with a trolley car on Sunday last. The accident caused injuries to twenty-two persons who were on the car. The occupants of the automobile escaped unhurt. Joseph Nagle, the motorman of the trolley car, testified at the trial that the automobile had crossed the track in front of the car three times within a short distance. Raymond said that he had crossed the track and said he had done so in order to afford those with him a better view of the river. He acknowledged that on crossing the track he had failed to look back to see if a car was approaching. The car came in contact with the rear of the automobile and turned over on its side. Judge Kellogg, in sentencing Raymond, said he was convinced that the automobilist had been negligent and that he should be punished.

MAY SOLVE A MYSTERY.

Reading, Mass., Oct. 30.—The police in their investigation of the death of the woman whose remains were found near here yesterday under circumstances pointing to a murder have found a man who has partly identified the body as that of his former wife. It has been learned that this man is Saul Weingert, of Boston, and that the police found upon the woman's body a marriage certificate bearing his name. Weingert is a Hebrew peddler. He says that the woman whom he married lived in Baltimore, but that the wedding took place in Cincinnati about fifteen years ago. Weingert obtained a divorce about twelve years ago. Weingert says that his wife was weak mentally. She went by the name of Mary Mears.

WILL BE WEDDED TONIGHT.

The marriage of Miss Blanche Larimore and William Anderson will be solemnized this evening at the home of the bride's mother, Mrs. Elmira Larimore, of 1118 Jackson street, Rev. J. K. Walts, of Berry street M. E. church, officiating. The guests will be immediate relatives and there will be no attendants. Mr. Anderson and his bride will spend a week in Chicago, after which they will be at home with the bride's mother.

ELECTED OFFICERS.

St. Aloysius society of St. Mary's Catholic church elected the following officers last evening: President, Luke G. Otten; vice president, August Langhost; recording secretary, L. G. Schirmeyer; treasurer, George Deininger; corresponding secretary, John Bothner; financial secretary, Edward Offenloch; library secretary, Joseph Schwartz; ushers, Clem Schuckman, John Trentman and John ... TOOK FATAL PLAN

TO FRIGHTEN MEMBERS OF HIS FAMILY.

FRED WEBER HANGS HIMSELF

WITHOUT REALLY INTENDING TO SUICIDE.

MAN WAS CRAZED BY LIQUOR

HAD OFTEN THREATENED SELF DESTRUCTION.

William Ferdinand Weber, familiarly known as "Fred" Weber, hanged himself in a bedroom at his home, 1215 West Main street, shortly before 10 o'clock Wednesday evening. The case is one of the strangest that has ever come to the notice of the local officials, for they are convinced that Weber did not really intend to end his life; that he simply chose that manner of frightening members of his family, and did not intend that the procedure should go far enough to result in his own death. Paradoxical as it may appear, the case looks like an accidental suicide.

Weber is said to have been habitually given to an excessive use of liquor, and after having been absent the entire day returned to his home at 9 o'clock last night and demanded that his wife prepare supper for him. Mrs. Weber, to whom the husband's conduct had become almost unbearable, told him the time to secure meals was at mealtime, and refused to cook supper at that hour. The husband announced that he would kill himself, but the threat had been made so often that neither Mrs. Weber nor her son, who was in the kitchen with her, paid any attention to Weber's remark.

It had been Weber's custom to go to the cellar where eatables were kept and help himself, and last evening he started down the stairway presumably upon this mission. Returning he secured a coil of half-inch rope, one hundred feet or more in length, and went to his bedroom. The door closed, and for some time Weber was heard shuffling about the floor. Then all grew quiet, and after some minutes Mrs. Weber called to her husband. There was no response and she sent her son to investigate.

BODY FELL TO FLOOR.

As young Weber pushed open the door of the darkened bedroom his father's body inside the room fell heavily to the floor. Hurriedly securing a light the young man saw that the form was apparently lifeless, but in the hope that he might be resuscitated Dr. G. B. Steinen was quickly called. The physician reached the home within a few minutes, but Weber was beyond human aid, and Dr. W. W. Barnett, the coroner, was notified.

Across the throat, and extending upward to a point immediately below the right ear, was a deep red mark showing where an improvised noose had caused death by strangulation. It is evident, the officials say, that when Weber entered the bedroom he threw a portion of the rope across the top of the door, which, when closed, suspended the noose tightly between the door and the casing. Inserting his head in this improvised loop Weber in his intoxicated condition must have lost his balance and hung helplessly until death ensued from strangulation. The officers believe that the noises heard by Mrs. Weber and her son were the efforts of Weber to regain his feet and thus prevent his own death. The history of the man's past leads them to the theory that he simply intended to frighten his family into toleration of his conduct, and perhaps expected them to rescue him before serious results could follow. Across the doorway is suspended a curtain in addition to the door, and this, together with the darkened condition of the room, prevented the son from noticing the rope above the door as he neared the doorway.

MADE MANY THREATS.

Weber was a native of Germany and came to America thirty years ago. He lived for some years at Peru, coming to Fort Wayne twelve years ago. He was a barber by occupation, but his habits were dissolute, and he was compelled to abandon the business. For a time he conducted a saloon on West Main street, and in March last obtained employment at the Electric works. He did not return to work on Monday, and it is said had been drinking heavily since Sunday. In past years it is said he has on several occasions strode through his home with an ax threatening to kill not only himself, but members of his family, while at other times, the officers say, he slept with a razor beneath his pillow for the purpose of

HERT COMING TO FORT WAYNE

EX-WARDEN OF REFORMATORY INTERESTED HERE.

Durbin Angry Because Board Went Outside State to Secure Hert's Successor.

(Special to The Sentinel.)

Indianapolis, Oct. 29.—J. T. Hert, who has just resigned his place as warden of the Indiana reformatory at Jeffersonville, is believed in Indianapolis to intend going to Fort Wayne to reside, being owner of an interest in the Daily News there.

Governor Durbin today gave out an interview, saying he was surprised that the board of control of the Jeffersonville reformatory went outside the state to secure a successor to Warden Hert.

He said he knew nothing of the appointment until after a public announcement had been made. The governor is angry over that phase of the matter.

Superintendent Hert tendered his resignation to the board of control yesterday, to take effect as soon as possible. It was accepted and the board appointed Secretary B. J. Byers, of the Ohio state board of charities, to succeed him.

WILL MEET AT 7 O'CLOCK.

The Jefferson club will meet at headquarters this evening at 7 o'clock to march to the meeting to be held at the South Wayne town hall. The drum corps will be out and one of the last meetings of the campaign is proposed to be held in the old-fashioned democratic way.

LOCAL LINES.

Miss Nora Schreve, of 1429 Lillie street, is quite ill.

Mr. and Mrs. Frank Copas, of Decatur, are the guests of Mr. and Mrs. George Quidor.

The Misses Dona and Fannie Marantette, of Mendon, Mich., were the guests yesterday of Mr. and Mrs. T. S. McGee.

Revival services are conducted each evening at Trinity M. E. church, corner of Fourth and Cass streets. Rev. E. Sawyer will preach this evening.

Mr. and Mrs. Tom Comparet, assisted by Mrs. Addie Matson, will entertain the ladies of the E. & C. club and their husbands at a Hallowe'en supper Friday evening.

The ladies of Grace Reformed church will meet at the church parlors tomorrow afternoon to sew. In the evening at 7:30 Rev. A. K. Zartman, the pastor desires to meet the young people of the church and their friends in the church parlors.

Drs. Rosenthal and Thayer operated upon Mrs. George Winbaugh for abscess last night. The operation was performed at St. Joseph hospital, where the patient is now resting as comfortably as could be expected. The lady is the daughter of Mr. and Mrs. William Knoll, of 15 Miner street.

Rev. A. K. Zartman, of Grace Reformed church, will go to Dayton, Ohio, next Monday, to attend a meeting of the evangelistic commission appointed at the recent meeting of the Ohio synod of the Reformed church. Rev. Zartman is a member of that commission.

J. DAVIS UNDER ARREST

HE WAS A PARTICIPANT IN GRAND STREET MELEE.

Sheriff Stout Causes His Arrest in Wabash for Larceny Committed Here—Courts.

August 22 there was a rough house on Grand street, the chief actors being a couple of colored boarders in a hostlery chiefly devoted to taking care of colored boarders. A gentleman rejoicing in the euphonious cognomen of "Shorty," managed to get to the woods after shooting a shot or two and cutting chunks out of the atmosphere with a newly honed razor. Another colored gentleman by the name of Jim Davis also managed to get away after, as charged, slicing a few hunks from the person of the inoffensive Mr. Ed Diggs. The trouble seems to have been provoked by Davis taking a suit of clothes belonging to Joseph Schuyler. The whole program was of a rather mixed order and the matter was supposed to have blown over. The sheriff, however, took the matter up and learned that Davis had a sister living at Wabash. Accordingly he requested the Wabash officer to keep a lookout for Davis. Last evening Davis was picked up by the Wabash officer and this morning Sheriff Stout went down there to bring him back.

Condemnation proceedings were filed today by the Fort Wayne, Van Wert and Lima Traction company for a right of way through the lands of Emmett Turner in Jefferson township.

The sheriff's office will be open every night this week for the purpose of swearing in election sheriffs for next Tuesday. This accommodation is for the convenience of a number of Fort Wayne deputies who can not well present themselves during the day time.

The superior court was not in session today.

Frank Treace, a young fellow sent to the reform school from DeKalb county some time ago, and who is out on parole, is in danger of being sent back. He was arrested more than a week ago as a bad boy and for complicity in the robbery of the fruit stand of Dominick Lewis on Wells street. He is now in jail in default of bond, but was expected to have been brought before Judge O'Rourke today. Meantime an officer of the reform school has written a letter to the local officers saying that young Treace has been a pretty well behaved inmate and that he thought he should be given a chance. Just what constitutes a "chance" with the institution officer the letter did not state. The local officers think that when a young man breaks his parole by committing burglary and robbery his chances for a "chance" are about all in.

The commissioners were detained in their office this morning with small miscellaneous business and did not make their bridge inspection tour, as was intended.

MATE BRETZ'S BODY FOUND.

Ashtabula, Ohio, Oct. 30.—The badly decomposed body of Second Mate John C. Bretz, of the steamer Lockwood, which foundered twelve miles off this port during a heavy storm on the evening of October 13, has been found on the beach near here. Bretz with nine other members of the crew left the vessel in an open boat. The latter, it is supposed, was swamped in the terrific sea and all of the men were drowned. Bretz's body is the first to be recovered.

HERE AT HOME.

FORT WAYNE CITIZENS GLADLY TESTIFY.

It is testimony like the following that has placed "the little conqueror" so far above competitors. When people right here at home raise their voice in praise there is no room left for doubt. Read the public statement of a Fort Wayne citizen:

Mrs. Jos. Ankenbruck, of 30 Erie street, says: "I did not take Doan's Kidney Pills, sold at Meyer Bros. & Co.'s drug store, as I should, but they did me good. My son George was affected with both kidney trouble and bachache and he started taking them. It was not long before he was cured."

Sold for 50 cents per box by all dealers. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

VISIT THE MINES

(Continued from First Page.)

The workmen were asked many questions by different members of the commission as to their age, character of work, rate of wages, etc.

While going along the main gangway the mine car in which Judge Gray, General Wilson and Messrs. Clark and Parker were riding left the track and slightly jostled its occupants. It was easily placed on the track by the miners. After the party came to the surface an inspection of the outside buildings was made.

STRIKE TO GO ON.

Hazelton, Pa., Oct. 30.—The strike at the seven collieries of Coxe Brothers & Co., the four mines of G. B. Markle & Co., and the Silver Brook operation of J. S. Wentz & Co., was officially renewed today through an order issued by District Secretary Gallagher, of the United Mine Workers, upon instructions from President Mitchell. The strikers at those mines were not permitted to return to work in a body, Coxes insisting that their employes make personal application for their former positions and G. B. Markle & Co., requiring that each man before going back to work promise to abide by the decision of the arbitration commission. The mine workers allege that the object of these requirements is discriminating against men who were prominent in the strike.

A. Pardee & Co.'s collieries, where the men have been asked not to interfere with non-union hands, are not included in the strike order. The men voted on Saturday not to resume work until the agreement is withdrawn.

WORK IS RESUMED.

Wilkesbarre, Pa., Oct. 30.—There was a general resumption of coal mining today, but as is generally the case after a holiday, quite a number of miners did not report for work. All the mines in operation, however, are capable of turning out more coal now than last week and a large output is looked for today.

President Mitchell is busy at headquarters compiling statistics for presentation to the arbitration board when he is called upon. He said he did not expect to go to Scranton today.

The various companies of the Fourth and Eighth regiments are leaving the region for their homes.

TROOPS QUIT COAL FIELDS.

Pottsville, Pa., Oct. 30.—It is expected that all troops in the coal region will be ordered home before the beginning of next week. The first battalion of the Second regiment located at St. Clair and the first battalion of the Third regiment at Minersville left for Philadelphia today. General Schall said today that the two battalions of the Third regiment at Audenried will be sent home tomorrow.

All the collieries in the Panther Creek valley resumed operations today. The Park Place colliery in the Mahanoy region resumed operations today after a week's idleness. One thousand employes had gone on strike because several union men were not reinstated. The leaders prevailed upon the men to return to work with the understanding that those who were discriminated against would be provided for by the union until they secured employment elsewhere.

TWO STORIES OF IT.

William Zedaker, employed by the Prudential Insurance company, living at 1427 St. Marys avenue, claims that he went into the Randall hotel bar yesterday afternoon, where he was brutally set upon by Ed. French, the bartender, and was cruelly beaten. He relates that the assault was without any provocation of any kind. Affidavits are in course of preparation this afternoon. At the hotel bar an innocent-looking bartender was surprised to hear that there had even been a fight in the place and the hotel attaches pretend to know nothing of it. A. B. Jackson, proprietor of the bar, however, says that Zedaker went into the place yesterday and bought a drink; that he had been in before and run a "tab" of 85 cents, after which time he had not been back until yesterday, and that Bartender French asked him for the amount he owed, whereupon Zedaker became abusive and called French a name that brought on the fight.

DEATHS AND FUNERALS.

BOND.

Mrs. Lucelia Frances Bond, sixty-seven years of age, died at 5 o'clock Wednesday evening at the VanBuskirk sanitarium on South Calhoun street, after an illness of several months. Mrs. Bond had long been in failing health. She was the widow of the late W. J. Bond, for many years a dry goods merchant and druggist in this city.

Mrs. Bond was born in New York city, and nearly fifty years ago was united in marriage to Mr. Bond in Philadelphia. Some years after the marriage they located in Fort Wayne, where the husband embarked in business, conducting a drug store and a dry goods store on South Calhoun street. About 1883 Mr. Bond sold his drug store and removed the dry goods stock to the room at the southwest corner of Main and Calhoun streets, where he continued business some years. Mr. Bond died eleven years ago.

His widow was a devoted member of the Catholic church and a most estimable woman, who enjoyed the friendship and esteem of all who knew her. Ten children survive, as follows: William Bond, Chicago; Marshall Bond, Cleveland; Mrs. Franse Malloy, Miss Belle Bond, Mrs. Edith Orlock and Mrs. Wilmer Leonard, of this city; Eugene Bond, Cleveland; John Bond, Cleveland; Mrs. Grace Richmond, of Scotland, and George Bond, of Cleveland.

The funeral will be held on Saturday morning at 10:30 from the residence of Mrs. Malloy, corner DeWald and Harrison streets, and at 11 o'clock from St. Peter's Catholic church. Friends are requested not to send flowers.

FUNERAL ANNOUNCEMENTS.

Martin.—Funeral services of Terrence Martin will be held Friday morning at 8:30 from the residence, 2109 Hanna street, and at 9 o'clock from St. Peter's Catholic church.

Nestel.—Funeral services of Miss Henriette Nestel will be held Friday afternoon at 2 o'clock from the residence, 815 West Creighton avenue.

ELDRIDGE WAS FINED.

Superintendent Goisline is this afternoon in receipt of a letter from Battle Creek, Mich., from Deputy Sheriff Williams, the officer who came here a week ago to take back the actor Eldridge, who was wanted there for a felonious assault upon a respectable young lady of the place. He says that the prosecutor was weak-kneed and allowed Eldridge to plead guilty to a charge of plain assault. He was fined $30, which fine was promptly paid by a local gambler. Williams then induced a hotel proprietor whom Eldridge had defrauded to file another affidavit against him on this charge, and he was fined $25, which was also paid by the aforesaid gambler. Eldridge then slipped out of town. The deputy sheriff says of Eldridge's attempt to escape from the train that near Lagrange the prisoner asked permission to go to the closet. Williams followed him to the door and as the train started out from Lagrange he stepped out on the platform. Just as the train commenced to move Eldridge jumped through the closet window and was seen by the deputy, who jumped from the platform and lit right on top of him. He says the train was barely moving at the time and thus cruelly spoils a good story printed in the local papers relating that the two men jumped from the train while it was moving at the rate of at least thirty miles an hour.

MOTHER AND DAUGHTER CURED BY BLOOD WINE

Mrs. Emily Cote, cor. Maple and Lowell Sts., Manchester, N. H., says:

"I can truthfully say those awful pains of neuralgia which nearly drove my poor head distracted have entirely disappeared and I am positive 'Blood Wine' cured me."

Robertine Cote, Manchester, N.H., says: "I am sixteen years old and have lately been troubled with painful periods. My mother (see above) said it was my age but finally as I suffered intensely she made me try 'Blood Wine.' I found it eased my pain and now when I feel the pain coming on I take a few doses of 'Blood Wine' and get great relief."

"Blood Wine" is a boon to suffering womanhood. It quiets the nerves, soothes and cures the aching head and by its peculiar action on the blood regulates and strengthens the natural functions. No wine—no opiates—absolutely pure. Fifty cents a bottle.

This seemed to be the order of business last week, culminating in another booming Saturday's trade.

There is nothing that pleases us more than what we call our

Come Back Trade.

transient, or out-of-town customers, who wish to visit the different establishments before they do their buying. The number of these who return to make their purchases of us is certainly the most convincing proof that we could have that our goods and prices are right.

It Is the Style and quality

of the goods found in our Suit and Cloak Room, points noticeable to all, which gives them their popularity.

The Stylish Monte Carlo Cloaks

that we are selling at $6.00, $7.50, $10.00, $12.50, $15.00, $18.50, up to $35.00, are qualities that hold and draw trade for us.

We are also having a decided run on

Walking Skirts

Starting them at $3.00, with the next number at $3.49, in black, brown and gray, they are pronounced the greatest bargains in the city for the money. Our $5.00, $6.00, $8.00, $10.00, $12.00, up to $20.00, in all colors, in WALKING SKIRTS are values that are not and cannot be surpassed.

The Demand for Furs

is increasing daily and we were never so well fixed to meet a big Fur trade. With prices on FUR SCARFS as low as 98c, with all the intermediate prices up to $40.00, our unfailing barometer, "the Come-Back Trade" on these goods, gives satisfactory indications as to outlook for the Fur business this season.

During Attacks Of Heart Failure.

Would Appear To Be Dead.

Dr. Miles' Heart Cure Relieved and Cured.

"I have no hesitation in saying that Dr. Miles' Heart Cure is all that one can wish it to be. I was troubled with heart disease for fifteen years. I have tried many different remedies but until I tried Dr. Miles' Heart Cure I could find no relief. I was subject to headaches and had tried your Pain Pills and they were so effective I thought your Heart Cure might help me. I would have attacks at times so severe that I would be stone blind for the time being. During these spells I would be to all appearances dead. I took the medicine strictly as directed and I can truthfully say that I am completely cured. I advise all that are troubled with heart disease to take Dr. Miles' New Heart Cure at once. I write this and give my name to my fellow sufferers."—S. E. Purdy, Atkinson, Nebraska.

"I first felt the effects of a weak heart in the fall of 1896. I saw an advertisement in the Sioux City paper in which a man stated his symptoms which seemed to me to indicate a trouble similar to mine. I had a soreness in the chest at times, and in my shoulder, an oppressive choking sensation in my throat and suffered from weak and hungry spells. I was truly frightened at my condition and procured six bottles of Dr. Miles' Heart Cure. Since taking my first bottle I have never been bothered by any of the old disagreeable symptoms and now am well and consider my cure permanent."—Lewis Anderson, Kuhn, S. D.

GENERAL BOTHA PROTESTS

SAYS BOER MISSION FAILS OF ITS PURPOSE.

Words Misconstrued and Wrong Purpose Assigned to Actions —Wants Truth Known.

New York, Oct. 30.—General Botha, of the Boer commission, now in Europe trying to raise funds for the redemption of the ruined farming districts of South Africa, has cabled to the World at length on the results of the general mission up to date. The article says in part:

"Our words have been misconstrued, our actions have been assigned the wrong motives and our very aims have been misstated and condemned.

"The British people have no reason to doubt our sincerity. We called on our people to come in and lay down their arms.

"How many million pounds were saved to the British nation by that surrender it is needless now to reckon up.

"Having accepted the terms Lord Kitchener was authorized to offer us we never sought to have them modified. What we sought for was not a modification of the terms of the peace treaty, but the immediate help of which our people are in sore need.

"Having come to plead a cause which should speak eloquently enough for itself, we are sorely disappointed by the result. At least, we have had every reason to consider that we have failed in our errand.

"It is assumed that we did not take kindly to a loan. That supposition was gratuitous. As to the shape in which material help should be given, we had neither the right nor the will to pick and choose. But, having seen no prospect of receiving such help, we appealed in urgent need to all the nations of the world.

"That course has been sharply criticised. So far as we can see all our appeal to foreigners implied was that our people were in sore need of instant relief and that we were willing to undergo the humiliation of pleading for it.

"Memories of help withheld, despite pressing need and urgent appeal for justice or generosity, are certain to live long, die hard and inflict damage out of all proportion to their seeming importance."

GIGANTIC COAL PROJECT.

Pittsburg, Pa., Oct. 30.—Work has just been started on a most important mining venture in western Pennsylvania. Guffey & Queen, the well known oil producers, associated with the old Carnegie Steel company interests, have formed the Great Lakes Coal company, with $5,000,000 capital; have acquired 25,000 acres of coal near Bradys Bend; have begun the opening of ten large mines and will open five more, giving them a daily output of 12,000 tons. It is the intention of the company to enter aggressively in the great lakes coal trade during the coming spring, and preparations have already been made to stock the coal in the coming spring and ship it at the opening of navigation to Conneaut Harbor over the Pittsburg, Besemer and Lake Erie railroad. Over 1,000 men have been put to work constructing eighteen miles of what will be a fifty-mile line from Red Bank to New Castle, thoroughly opening the monster tract. It is the expectation that this road, known as the Western Allegheny, will become an important link in the Pennsylvania system to relieve the freight congestion of the Pittsburg district.

MISS TELLER FREED ON WRIT.

Valparaiso, Ind., Oct. 30.—Judge Gillett last night granted a writ of habeas corpus in the case of Josephine Teller, who escaped from the Jacksonville, Ill., asylum, and she was released from custody. Dr. Sharpe will appeal the case to the supreme court. Miss Teller is a cousin of Senator Teller, of Colorado, and was confined in the asylum at the instance of her brother, John Teller, of Denver. She came to this city under an assumed name and her presence became known only when she declared her intention to bring suit against her brother for heavy damages. The asylum officials came here after her, but she escaped from them through the aid of friends and left the city, coming back two weeks ago. Dr. Sharpe again tried yesterday to take her back to Jacksonville, but was prevented. Her friends declare she is sane and will fight any attempt to take her out of the state.

THREE KILLED IN WRECK.

Oxford, Ohio, Oct. 30.—The express for Chicago, over the Cincinnati, Hamilton and Dayton and the Monon routes, collided with two runaway freight cars last night, wrecking the engine, baggage car and mail cars. Engineer Edward Conn and two unknown tramps were killed. The wrecked cars were burned. None of the passenger coaches left the track and none of the sixty passengers was hurt, although all were badly shaken up. The freight cars were detached from a train that took the siding here to allow the Chicago express to pass and had gained terrific speed when they struck the passenger train.

LIGHT ON BOUNDARY STONES

ARE REMAINS OF HUTS BUILT BY ALASKAN INDIANS.

An Interesting Version of a Primitive Modus Vivendi Fixed by Hostile Tribes.

Victoria, B. C., Oct. 30.—Archibald Cameron, road superintendent, who has just arrived here from Porcupine, says the line of boundary monuments alleged to have been discovered and stated to be the demarcation of the Alaskan boundary are the ruins of stone huts built by the Indians of the interior, where they met those of the coast on a neutral ground about 68 miles from tidewater and about 10 miles beyond the timber line.

He describes the origin of the huts as follows:

The Indians of the coast, and those of the interior, were jealous of each other, in fact were hereditary foes and it was only after generations of bitter fued that an armed truce was established between them. Before the arrangement of this aboriginal modus vivendi, the interior or Stick Indians, were not allowed to hunt or trap on the Pacific slope, the coast or Chilas Indians holding all the territory which lies between the sea and the mountains as their particular reserve.

When the Russians established trading posts on the coast of Alaska, the Chilas sent envoys to the Sticks and proposed peace terms so that their furs could be exchanged. A truce was made by which the Sticks were allowed to come across the divide laden with furs to a certain point, where the Chilas met them with a stock of goods from the storehouses of the Russians and there at stated times of the year a great Indian fair was held. The meeting place was outside of the timber line and as no wood was available, the Indians built stone huts of the most primitive construction, and these huts were used in common year after year by the traders. These were the so-called monuments.

REFUSED TO FURNISH BOND

AARON LISCHY LOSES SHADE TREE CONTRACT.

Board of Works Makes Award to the Next Lowest Bidder—News of City Hall.

The board of works had troubles of their own on the shade tree problem in which Aaron Lischy figured to some extent. Mr. Lischy was the lowest bidder and was awarded the contract. Later he discovered that he had made a mistake and wanted the board to advance his figures, which the board refused to do, but advised Mr. Lischy to throw up the contract, whereupon it would be given to the next lowest bidder. This the successful contractor refused to do and declared that he would fill the order even if he went broke. Yesterday he appeared at the clerk's office to enter into contract, but when asked to file a bond grew very indignant and said that he would not file a bond, and he didn't. The board this morning, after this repeated refusal to give a bond, gave the contract to Matthias Mettler for $132.50, that being the next lowest bid. The contract calls for 250 silver leaf maple, 50 Carolina poplar, 25 cut leaf birch and 25 horse chestnut. The birch are the most expensive, ranging from 90 cents to $1.50, according to calibre and height; the silver leaf average 29 cents each and the Carolina, the best of fast growing trees, range from 35 to 50 cents each.

COMPLAIN OF STREET.

Complaints have been lodged with the board of works regarding the manner in which Maumee avenue is protected by the contractors laying the new pavement. The Walton avenue intersection has been completely closed for three days and as it is the most important street intersection in the east end it has occasioned no end of annoyance. The intersection has been partly closed for a month, but was never entirely shut off until three days ago. At night it is not adequately protected by red lights and in the day time the barricade is half a square away from either adjoining corner. This occasions much annoyance to users of the highway, especially farmers who get close to the barricade before noticing it and are then obliged to turn their teams, frequently with heavy loads, in order to find an egress. Chairman Eggemann said that he would order the crossing planked tomorrow so that the intersection at least could be used.

CITY HALL NOTES.

The board of works will meet in regular session tonight. The principal business will be the confirmation of several small improvement assessments.

A new case of smallpox was reported to the board of health last evening in the family of B. E. Hanring, at 653 Putnam street. The house has been quarantined.

A building permit has been issued to John Anderson to erect a dwelling house on Shawnee avenue at a cost of $1,000.

THE WORST FORM.

Multitudes are singing the praises of Kodol, the new discovery which is making so many sick people well and weak people strong by digesting what they eat; by cleansing and sweetening the stomach, and by transforming their food into the kind of pure, rich, red blood that makes you feel good all over. Mrs. Cranfill, of Troy, I. T., writes: For a number of years I was troubled with indigestion and dyspepsia, which grew into the worst form. Finally I was induced to use Kodol and after using four bottles I am entirely cured. I heartily recommend Kodol to all sufferers from indigestion and dyspepsia. Take a dose after meals. It digests what you eat. Meyer Bros. & Co.

A MELANCHOLY FORETASTE.

London, Oct. 30.—The Globe this afternoon, commenting on the "tube" railroad debate in the house of commons yesterday, says: "Last night's proceedings were a melancholy foretaste of what we are to expect under the rule of American capitalism. The real sting consists in the fact that American syndicates should have been allowed to fight over the body of the London citizen." The paper attributes the present condition of affairs to the apathy of the British investor, but declares it is "better to muddle on, over-crowded and badly served as we are, than to place our means of locomotion in the hands of trans-Atlantic railway jobbers." In conclusion the Globe urges the government to control the "tubes." The other afternoon newspapers comment on the situation in a similar tone.

BEVERIDGE'S VOICE FAILS.

Lagrange, Ind., Oct. 30.—The voice of Senator Beveridge gave out here yesterday after he had addressed a large crowd about half an hour, and he was forced to stop speaking. He was suffering from a cold contracted while speaking in Cincinnati and from the first his voice was low, but he remarked that it would be a cold day when he could not speak for the republican party. He continued only a few minutes, however, when he was compelled to take his seat.

CALL SCHWAB MAD AMERICAN

ITALIANS GLOAT OVER HIS EXPENDITURES.

Steel Magnate's Friends Worry Over His Refusal to Rest for His Health's Sake.

Pittsburg, Pa., Oct. 30.—The Dispatch prints today the following copyrighted cable from its London correspondent:

"The conditions and actions of C. M. Schwab, president of the United States Steel corporation, have become the chief topic in London. The continental press today conveys further details of his somewhat interesting conduct in Rome and the Italian provinces. These have been supplemented by a private letter received by an American from Rome, according to which the American multimillionaire and Pittsburger is spending money with a recklessness fairly amazing to the European mind. It is stated in this letter that half the professional beggars in Italy are besieging Mr. Schwab, who has a suite at the Villa Deste, for which he is paying $80 a day, an unprecedented rate in the Italian capital.

SCHWAB REFUSES TO REST.

"The American steel king absolutely refuses to rest. He is continually on the go. When he is not chartering a special steamer on Lake Como he rides all day with Mrs. Schwab, his secretary, a physician and a masseur. In addition to purchasing two more motor cars of the swiftest and most costly type, he paid $1,000 for a small bronze statuette. Traveling on special trains over the continent has become a pastime and driving, motoring, walking and boating have become the order of the day.

"It is current gossip that the idiosyncrasies of Mr. Schwab have been the cause of some worry to the officers of the steel corporation.

MAY GIVE BIG SUM TO POPE.

"According to the letter, also, Mr. Schwab will likely have an audience with Pope Leo and it is rumored that he will donate a large sum of money to the church.

"The letter concludes: 'I'm afraid Mr. Schwab will not experience a rapid recovery. His friends and attendants are under a great strain owing to his incessant recklessness I understand he may be taken to Egypt or even around the world in the hope that a change of scene will prove beneficial. He is throwing money away like water. Italians never met such a man, and professional beggars regard his stay here as the chance of a lifetime. It is even doubted that he will retire wealthy. When he appears in public he attracts almost as great a crowd as the king himself. He is referred to everywhere as the "Mad American."'"

Mr. Owen Dunn, of Benson Ferry, W. Va., writes: "I have had kidney and bladder troubles for years and it became so bad that I was obliged to get up at least a dozen times a night. I never received any permanent benefit from any medicine until I tried Foley's Kidney Cure. After using two bottles I am cured. For sale by Dreier & Bro. and Pellens & Polster.

THE OVERCOATS

MEN WILL WEAR THIS WINTER.

Opening of the New Styles.

We are ready now with a display of the smart ones; those built of black and dark grey undressed fabrics. Cut a trifle shorter than those of last year, and fashioned with full back and broad sweep at the bottom.

Besides these there are the medium box coats, the belted back coats and other styles, all of which have the new shoulder effect, now so essential. The showing is both vast and extensive, and it tells the story well of how this store ever keeps in touch with the advance fashions. You should, and undoubtedly will, expect to find the newest and best here, and we shall not disappoint you.

Fashion's Latest in Overcoats for Men,

$10 TO $30

Every garment superb in finish, and not a thing about them to distinguish them from the products of the best tailors----not a detail omitted that fashion demands. We will gladly show them to you any time you are ready to view them.

PEPSIN SYRUP CO.
Monticello, Ill.

Gentlemen,—For over four years I suffered with frequent sick headache, a dull, heavy pain over my eyes and the back of my head, often making it necessary for me to go to bed. At times I was sick at my stomach, would vomit, which was followed by a very faint, depressed feeling. I had blistered the back of my neck and sides of my feet and found only temporary relief. One day when my husband went to the drug store to get something to relieve me, the druggist advised him to get

Dr. Caldwell's (Laxative) Syrup Pepsin

and so he bought a bottle and brought it to me. It was certainly a Godsend, as within three hours I felt better and very soon all the pains were gone. I kept taking it for two weeks, and during that time had no further trouble. In the last two years I have used six bottles altogether, and have never had a sick day, thanks to your splendid medicine.

Yours very truly, MRS. ANNA DALY, 1363 W. Madison St., Chicago, Ill.

The mine-strike commission does not purpose to allow itself to be driven up a tree or put in a hole by technicalities. ...he Indiana Anti-Saloon League is preparing to inaugurate a vigorous campaign in Indianapolis. The league will have the hearty co-operation and substantial aid of the temperance people and ministers of Indianapolis and during the next six months it is expected that a large number of saloons in certain wards will be forced out of business. Big public meetings and rallies are to be held and a powerful effort will be made to stir up public sentiment to a point where the league may count on its support. Blanket remonstrances will be the expedient employed to root out a lot of saloons. Drug stores which are known or believed to be doing a contraband business in intoxicants will receive attention and effort will be made to get the next session of the legislature to reinforce with new enactments the present laws regulating the sale of liquor by drug stores.

TWO KILLED BY TROLLEY CAR.

Ypsilanti, Mich., Oct. 30.—Josiah Finton, a retired farmer, and his 6-year-old grandson, Ford Finton, were struck and killed by a Detroit, Ypsilanti, Ann Arbor and Jackson electric suburban car a few miles from here today. They were on their way to the city and drove across the track directly in front of the approaching car. Mr. Finton's wife is dangerously ill and it is supposed that he was worrying about her and failed to notice the car. A woman in a nearby house saw the accident reflected in a mirror.

ARRESTED ON OLD CHARGE

ANDREW BEUKNER IS HELD BY THE POLICE.

Member of a Bad Gang, It is Said—Used Dynamite in River, the Charge Alleges.

Police court was unprolific of anything except a very old case. Andrew Beukner, the defendant, would much rather there had been something new doing instead of going back into ancient history. Beukner is a member of "the east end gang" and his arrest on an old charge simply indicates the persistency with which the police department has started in to break up the combination and put an end to the intolerable annoyances and depredations the good citizens of the eastern part of the city have suffered for a number of years—in fact, since the original "east end gang" was broken up about ten years ago by sending most of the ringleaders to the penitentiary. Beukner's arrest was on an old warrant issued last April or May, and charged him, with others, with having unlawfully used dynamite in the waters of the Maumee, ostensibly for fishing purposes. Two of his companions were arrested and fined in justices' courts, but Beukner disappeared and was away from the city for some time. Later when he returned he kept out of the way of the officers until last night, when he was arrested at his home, corner of Coombs and Cochran streets. His arrest was rather unexpected to the prosecutor, who asked that the case be continued until he could collect the witnesses. Beukner was accordingly sent to jail in default of a bond for $300 to appear at police court on Wednesday morning, Nov. 5. The prisoner is about nineteen years of age.

POLICE NOTES.

FOR PRIZE FLO... GARDENS

WORK TO BE ENCOURAGED BY FORT WAYNE LADIES.

Something of the Effort and Aims of the American Park and Out-Door Art Association.

In many cities prize flower gardens have been successfully cultivated under the guidance of the women's clubs, and this feature of the outdoor art work will be inaugurated by the women of Fort Wayne when the time for planting arrives next spring. Plans are already under way for securing a number of tracts of ground, adjacent to schools, where pupils will be encouraged in the cultivation of flowers and a development of the love of the beautiful.

The Arbor day movement has already been taken up, and in this connection a lady prominent in the movement appeals for the preservation of one of the most beautiful growths of trees possessed by Fort Wayne or any other city—that grand double row of elms which adorn the space fronting the new high school site on Barr street. To mar or injure unnecessarily one of these noble gifts of nature would be most lamentable.

SOMETHING OF ITS WORK.

The aim of the American Park and Out Door Art association is significantly expressed in the motto: "Leave the world more beautiful than you found it." Discussing the nature and objects of the association, a prominent Fort Wayne club woman said:

"It was in April, 1897, that Gen. John B. Castleman and his colleagues of the Louisville Park Board decided to invite the park commissioners of the several American cities, park designers and engineers and others interested in the subject, to a gathering in their city. The meeting was held and attended by a representative set of men and women. Before they said good-bye to their genial and public spirited hosts the visitors banded themselves together under the style of the American Park and Out Door Art association.

"The purpose of the association, as stated in the first draft of the constitution, was to promote the conservation of natural scenery, the acquirement and improvement of land for public parks and reservations and the advancement of all out door art, having to do with the designing and fitting of the grounds for public and private use and enjoyment. In 1902 so far reaching had the influence of the association become, that an auxiliary branch of women was formed in Chicago, and there are now seven active working branches, with an enrolled membership of 231; working with united effort under the same constitution as the association, members paying annual dues of $2, which entitles them to membership in the American Park and Out Door Art association.

WHAT IT GAINED.

"And what do we learn or gain from the teachings of these organizations? First, to love our homes; then, to learn how to plant and grow nature's embellishments of trees, vines, shrubs, grass and flowers. Many know the art of arrangement by instinct; others have a faculty of acquiring requisite knowledge through books, but the most forceful teaching is through example, and it is to supply these examples of good art planting that the Out Door Art association exists.

"It does not go about the country planting sample house lots in every village. Neither does it publish a planting plan and say to everybody, 'Here, go ahead and lay this out on your ground,' which would be to stereotype conditions. It is the cultivation of individual taste that is sought, and examples are furnished through public parks and gardens, whose superintendents are in many instances members of the association.

"Another means of furnishing examples is found through the agency of the public schools, where children are promoted. These are found east, west, north and south, and the woman's auxiliary has stimulated the work by arousing the interest of active women club members."

PROGRAM A GOOD ONE.

The Woman's Relief corps camp fire in the assembly room of the court house last evening was a thorough success, and the program was thoroughly enjoyed. Every seat in the big room was occupied and many were unable to gain admittance. Dr. C. B. Stemen presided and the invocation was by Rev. J. W. Lake, of Calvary United Brethren church. Mrs. Amanda Edsall delivered the address of welcome, which was responded to by Miss Helen Whitford, of Garrett. The Emerson quartet gave a selection, which was followed by an address by J. E. Graham on behalf of Sion S. Bass post, G. A. R. A musical selection by Miss Lottie Backus followed, and Mrs. D. R. A... vocal solo by Dr. Harriet MacBeth was pleasing. One of the features of the evening was a Dutch wooden shoe dance by Grace Parisot and Grace Kierspe and the young ladies were called back several times. Judge S. M. Hench gave some reminiscences of the civil war, and after a few more recitations and musical numbers the camp fire was brought to a close.

LEAVES BUSINESS AND CASH.

Goshen, Ind., Oct. 30.—David May, local news dealer in Chicago, Indianapolis and Cincinnati papers, mysteriously disappeared Wednesday evening, abandoning a lucrative business and leaving his bank account of several hundred dollars undisturbed. He was traced as far as Elkhart, where a person answering his description purchased a ticket to Chicago last night. His widowed sister, with whom he lived, is prostrated and under a physician's care. She knows no reason for his strange disappearance unless he is temporarily demented. He is thirty-one years old, four feet four inches tall, and had exemplary habits. He came here two years ago from Sherwood, Ohio, where he was a printer.

DENIES HIS GUILT

ROLAND B. MOLINEUX TAKES THE WITNESS STAND.

TESTIFIES IN OWN BEHALF

DECLARES HE WROTE NONE OF INCRIMINATING LETTERS.

PRISONER COOL UNDER FIRE

KEEPS HIS HEAD WELL DURING CROSS-EXAMINATION.

New York, Oct. 31.—Roland B. Molineux went on the witness stand today and denied that he was guilty of the murder of Mrs. Katharine Adams. On his direct examination he told of his feeling of anger against Cornish and of his leaving the Knickerbocker Athletic club because of trouble about Cornish. Answering questions put by Former Governor Frank S. Black, he declared that he had never made cyanide of mercury; that he did not buy and had never seen the bottle-holder in which the poison was sent; that he did not mail the poison package, and finally he asserted his innocence of the charge against him.

The cross-examination by Mr. Osborne brought out nothing startling up to the mid-day recess. Molineux remained calm under Mr. Osborne's questions and he showed his coolness and readiness to reply when he was asked, "David N. Carvalho is your expert on handwriting, is he not?" by replying, "I have no expert on handwriting." Molineux said he and H. C. Barnet, who died in 1898, were friends.

The prisoner's wife was not in court while he testified. She has not attended any session of the court at this trial.

GREAT CROWD IN COURT.

New York, Oct. 31.—The defense opened today in the trial of Roland B. Molineux, charged with the murder of Mrs. Katherine J. Adams, and soon after the opening of court former Gov. Frank S. Black announced that the first witness for the defense would be the accused man. This marked a departure from the course of Molineux's lawyers at the first trial, when the defense offered no evidence at all.

The crowd which thronged the criminal courts building today was probably the largest ever seen there. The regular police force on hand was not large enough to control the situation and extra policemen were sent from near-by stations to aid in preserving order. Men and women were forced out of the building in large numbers, but notwithstanding 200 persons more than could be seated managed to get into the trial room and considerable confusion resulted. When Molineux was brought into court it was found that someone had removed his customary chair and also that of his father and both had to stand until chairs were borrowed from another court room.

As soon as the jury was polled former Governor Black began his opening address. He kept the promise he made yesterday and spoke for less than five minutes. He declared the accused man innocent of any connection with the crime, and promised to show to the satisfaction of the jury that Molineux never wrote any of the incriminating letters or the address on the poison package.

MOLINEUX TAKES STAND.

When he had finished he called out: "Roland B. Molineux, take the witness chair."

Replying to the first question of his lawyer, Molineux gave his age as thirty-six years, told the date of his arrest, and the length of time he was in the Tombs and in Sing Sing prison.

He took a course in chemistry in Cooper Union after he left school. When he was sixteen years old he went to Utah and Mexico. He was co-respondent in a divorce suit and it was thought better that he should leave the city for awhile. He returned to New York a year later and got employment in his father's firm, Devoe, Reynolds & Co., paints and colors. He continued with that firm until he went to Newark as superintendent of the color factory of Morris Herrmann & Co. He was a member of the Knickerbocker Athletic club for two years, resigning in 1897, when he went to the New York Athletic club. He was a member of the governing board of the Knickerbocker Athletic club.

Molineux said he did not approve of Cornish's [illegible] of the bath or of the [illegible] street, th[illegible] out.

plaint about Cornish, because he thought Cornish had spoken disrespectfully about Mr. Weeks, the president of the New York Athletic club. Molineux said he presented this matter to the authorities of the Knickerbocker club, but no official action was taken on this complaint. The witness spoke to Cornish directly about the matter once or twice.

OBJECTED TO CORNISH.

Molineux, continuing, testified that he objected to a man in Cornish's position in the club occupying a room, spending the club's money without having to account to anyone, and also to his use of the club's stationery to write his insulting opinions and threats against an officer of a friendly club.

"Did you speak to Cornish about your feelings?" asked Mr. Black.

"He knew I had practically said that if he did not get out of the club I would," replied Molineux. "The club thought he was in the right and just before I resigned I met Cornish on the stairs."

"What did he say?"

MADE HIM ANGRY.

"He called me a [illegible], and said I had not succeeded in getting him out. I replied, 'No, you win.'"

"Had you any feelings of bitter animosity to him when you left the club?"

"I was very angry."

Molineux said he talked to Rudolph Heiles about Cornish, saying he "did not think Cornish was any good." There was no trouble between the witness and Harpster; Molineux, as a member of the house committee, was instructed to reprimand Harpster, but there was nothing serious. Mr. Black then questioned the defendant as to his movements on December 31, 1898, and Molineux said that he went to Newark, as usual, that day, to attend to business and returned to New York in the evening.

"Did you buy the bottle-holder?" asked Mr. Black.

"No," replied Molineux.

"Did you ever see it?"

"No."

On December 23 he went to Columbia college, and he thought it probable that he called at the New York office of his firm, as was his custom to do almost every day.

In the evening he went to the opera. He was not nearer to the general postoffice that day than Cortlandt street, which is four blocks away. The poison package was mailed at the general postoffice.

MAKES MANY DENIALS.

"Did you mail the poison package?" asked Mr. Black.

"No, sir."

"When did you first see the address on the package?"

"I think at the last trial. I have never had it in my hands."

The questions of counsel were then directed to the material used in color-mixing. Molineux said that cyanide of mercury had never been used by him.

Mr. Black showed Molineux the Barnet and Cornish letters and the poison package wrapper, and asked, "Did you write that address?"

"I did not."

"Did you ever see it before?"

"Not before this trial was begun."

The whole list of disputed writings was shown one at a time, and Molineux said he had never seen the letters before or the photographic reproductions. He had never used bromo-seltzer, and had never bought any. The poison bottle was shown and Molineux said it was the first time he had seen it.

ONE LETTER THAT HE WROTE.

Mr. Black then produced the letter written to Dr. Burns applying for a certain patent medicine and inclosing 25 cents in payment. This letter was written on the blue interlaced Crescent paper.

"Do you recognize this letter?" he was asked.

"I do. I wrote it," Molineux replied. "It is signed with my name."

"Tell the jury why you wrote that letter."

"I hurt my groin exercising and saw the advertisement of the salve and wrote for it."

Two of the disputed writings, letters also asking for patent medicines and signed "H. Cornish," are written on similar paper and are among the writings Molineux said he never wrote or saw.

Replying to questions, Molineux said he could not tell where he wrote the Burns letter, adding that it might have been done in any hotel or restaurant. He did not know where he obtained the paper.

Replying to Mr. Black, Molineux said he first knew he was suspected of the death of Mrs. Adams on January 2, 1899, when a reporter told him the police were looking for him. Almost at the same moment his father, General Molineux arrived at the place he was [illegible]ng [illegible]th his wife. He and the reporter [illegible] went to A McClusky's

FIX A WAGE DAY

THE STRIKE COMMISSIONERS TAKE IMPORTANT STEP.

FORESTALL MUCH TROUBLE

WAGE INCREASE, IF AWARDED, BEGINS NOVEMBER 1.

ANOTHER TRIP UNDERGROUND

WORST COLLIERY IN DISTRICT IS INSPECTED.

Scranton, Pa., Oct. 31.—The anthracite strike commission has officially decided that if any change is made in the rate of wages of the men, it shall date from tomorrow, Nov. 1. This announcement was made by the commission through Recorder Wright in the following brief statement given out by him at 9 o'clock this morning:

"Voted, unanimously, that if the commission, at the conclusion of its hearings and deliberations, makes any award affecting existing rates of wages, such award shall take effect from Nov. 1, 1902."

The recorder of the commission stated that this resolution was adopted by the commission because it felt that it was important to make its investigations deliberately, and that it might be well, in order to relieve itself from pressure from any source which might cause undue haste, to inform the operators and the miners that should the investigation and the deliberations following it warrant any change whatever, either in the way of increase or reduction of wages, such change should be from a certain date, thus enabling all parties to facilitate their calculations.

The action of the commission in taking this step at this time will save the commissioners a lot of time. It is known that each side to the controversy would take a determined stand on the question of when the new rate of wages, if one is made, shall go into effect. The operators in their original proposition to President Roosevelt wanted the commission to fix the date. The miners wanted the prospective new rate to be retroactive and go into effect on the day when the miners returned to work, which was a week ago yesterday, Oct. 23. President Mitchell, who was here over night left for Wilkesbarre today before the announcement was made. It is not known here what he thinks of the commission's action.

THE DAY'S PROGRAM.

The program of the anthracite strike commission for today called for an inspection of the Manville colliery at Green Ridge, two miles from this city, and a drive through the near-by territory for the purpose of viewing the habitations of the men who toil in the mines. The commissioners expect to complete their inspection of this region this afternoon and go to Wilkesbarre tomorrow morning.

The members of the party were up early today and ready for another hard day's work. They left the hotel soon after the arrival of Commissioner T. H. Watkins, whose home is in this city. Mr. Watkins, owing to his intimate knowledge of mining in this region, is the guiding spirit of the party. He arranged yesterday's trip and has general charge of today's tour. In this he is assisted by the superintendents of the companies located in this vicinity and also by President Nicholls, of district No. 1, of the miners' union. The Manville mine, which was inspected today, is operated jointly by the Delaware and Hudson and the Delaware, Lackawanna and Western companies. The mine is one of the worst for miners in this territory. The veins are small and there is barely room enough for workmen to stand up. This colliery was visited at the suggestion of the mine workers' representatives.

The commissioners' party left the hotel at 9:20 o'clock and drove to the Manville mine. After donning suitable clothing the party proceeded undergrou[illegible]d.

Accompanying the commissioners were Assistant Recorders Moseley and Neill, General Superintendent Rose, of the Delaware and Hudson, and General Superintendent Phillips, of the Delaware, Lackawanna and Western, which companies operate the Manville colliery on alternate months; District President Nicholls, of the United Mine Workers; P. W. Tolan, president of the Manville local of the United [illegible]ine Workers; William Watkins, [illegible]h of he [illegible]d Com[illegible]nts to the [illegible]

deep. The conditions at this colliery are claimed to be the worst in the Scranton region, the veins averaging less than three feet in thickness. The mine has been in operation twenty-two years and is built in the old style—that is, the breaker is directly over the shaft, instead of being 200 feet away from the mouth of the opening, as the law requires.

The commissioners inspected three breasts and were in the mine two hours and a half. The first breast was 2,200 feet from the foot of the shaft and the commissioners had to walk along in a stooping position owing to the low roof. It was extremely tiresome for those unaccustomed to the mine.

At the face of the breast a miner and his helper were found. Some of the commission plied the two men with all sorts of questions. The miner said he was able to get out four or five cars a day; told how much he made, and gave other information to the commissioners.

JUDGE GRAY WORN OUT.

Judge Gray was so fatigued by walking in a bent over position for an hour that he decided to go to the surface. He was hoisted to the top with Bishop Spalding.

General Wilson was the most aggressive of the commissioners in seeking information. He did not appear to mind the discomfiture and went wherever he was asked. He asked many questions of both the company officials and of the miners and their representatives and usually got answers to questions from both sides that were at variance with each other. Commissioners Clark and Parker also plied the miners with many questions. The commission returned to the Hotel Jermin at 1 o'clock.

ARRAIGNMENT OF INDIANS

EDUCATED ONES SAID TO BE WHOLLY WORTHLESS.

Indian Agent Erwin, of Oklahoma, is Severe in His Estimate of Cultured Lo.

Washington, Oct. 31.—A severe arraignment of the Indians on the Ponca, Otoe and Oakland reservations in Oklahoma is made by Agent Erwin, in charge of that reservation, in his annual report to the commissioner of Indian affairs. The report says:

"Hardly any of the young Indians, those who have graduated from non-reservation schools, as well as those who have attended for a number of years, do any work at all. It can be set down as a perfectly safe rule that as a class the young educated Indians are the most worthless ones in the whole tribe. Nearly all of the work done by the tribes is performed by the middle-aged able-bodied ones who cannot write or speak English. The educated Indian coming from the schools usually gives the excuse that he has nothing with which to work, neither money, implements nor stock of any kind. This is true, but I notice that they manage to live on their annuities and lease money and buy horses, buggies, etc., on credit and borrow money from the banks with very little prospect of ever being able to pay their debts. Any able-bodied man or woman is able to obtain work at fair wages. Many of the people are addicted to drink and both men and women are inveterate gamblers. They have practically nothing to do. Their days are spent in almost utter idleness and vice and debauchery are rampant. The degradation of these people will continue and increase until they are made to work and live by the result of their labors."

As a remedy for this condition of affairs the agent recommends that the Indian children be educated only at reservation boarding schools, further education being ninety per cent. waste of effort and money; that the schools under the jurisdiction of the Oklahoma government be established among these Indians so that the latter can come into constant contact with white children and that the payments by the government from their trust fund now in the United States treasury be used to enable them to start in farming and stock-raising.

CHIMNEY WAS ABLAZE.

A chimney in the residence of C. T. Strawbridge, at 1019 East Wayne street, caught fire this morning and blazed threateningly for a time. Johnny Strawbridge succeeded in extinguishing the fire without damage and without calling the department.

DAILY CALENDAR OF CRIMES AND CRIMINALS.

Joplin, Mo., Oct. 31.—R. O. Randall, a real estate dealer of Carthage, was shot and killed today by his wife. Mrs. Randall had sued for divorce several days ago and today when they met in a lawyer's office a quarrel ensued. Randall drew a knife and attempted to stab his wife when she shot him five times. Mrs. Randall was arrested. The Randalls are prominent.

A TENNESSEE TRAGEDY.

Dayton, Tenn., Oct. 31.—A tragedy occurred here at 11 o'clock last night, resulting in the killing of N. J. Cooley and his son-in-law, Will Whitfield, by Manuel Thurman, a saloonkeeper. Whitfield was shot three times and died immediately. Cooley lingered until 6 this morning and made a dying statement to the effect that Cooley and Whitfield were at Cooley's home when Thurman entered a room occupied by Cooley's daughter. Whitfield heard a noise and entered the room when Thurman grappled with him. Cooley then entered and Thurman opened fire. Thurman surrendered.

BLOODHOUNDS TRAIL CRIME.

Reading, Mass., Oct. 31.—Bloodhounds have been called into service in connection with the murder mystery which has absorbed the attention of the authorities and the townspeople here for the last two days. Having established the identity of the murdered woman as Mary Myers, the divorced wife of a peddler of Boston, and the fact that she was seen with a man near where her body was found, not long before the crime was discovered, the police decided to try bloodhounds in the hope that the animals might discover a trail which would lead to the whereabouts of the murderer.

PASSED STOLEN BILLS.

San Angelo, Texas, Oct. 31.—Boone Kilpatrick, a brother of Ben Kilpatrick, who was arrested in St. Louis and sen tto the penitentiary for participation in the Great Northern train robbery in 1901, has been arrested at Ozona and will be given a preliminary examination on the charge of having passed Helena, Mont., bank bills here which were stolen during the hold up.

HELD FOR MURDER.

Ironton, Ohio, Oct. 31.—Philip Nagle is held here by the police for the murder of William Wade, at Upper Sandusky, recently. It is claimed that two twenty-dollar gold pieces found on Nagle came from the funds that Wade had when the latter was killed. Nagle will be taken to Upper Sandusky.

POSTOFFICE ROBBED.

Pittsburg, Pa., Oct. 31.—The postoffice at Verona, a few miles above this city, was entered some time during last night or early this morning and the safe blown open and rifled. Something over $100 in money, a large number of stamps and a number of registered letters were taken.

ROBBERS MADE GOOD HAUL.

Ironton, Ohio, Oct. 31.—The store of E. B. Willard & Co., at Steece, this county, containing the postoffice, was burglaried last night, the robbers securing $200 in cash, $35 in stamps and $4,000 in government bonds notes and insurance policies.

STOLE $1,600 IN CASH.

BRIBERY FUND IN COURT.

St. Louis, Mo., Oct. 30.—The taking of testimony in the trial of Edmund Bersch, former member of the house of delegates, on the charge of perjury, before the grand jury, began in Judge Ryan's court room today, the jury having been selected yesterday. While Philip Stock was on the stand the $75,000 from the safety deposit vault of the Lincoln Trust company was produced by Circuit Attorney Folk, identified and counted. Stock, who is secretary of the St. Louis Brewing association, testified that he was employed by President Charles H. Turner, of the St. Louis and Suburban railway, to secure the passage of council bill No. 44. He said that he first met John K. Murrell, of the house of delegates, in relation to the bill October 18, 1900 Murrell representing the house combine. Murrell proposed to get the bill through the house for $75,000, which, witness testified, he deposited in the Lincoln trust vaults for Murrell.

PATIENT HAS BROKEN BACK.

One of the most remarkable cases ever brought to a Fort Wayne hospital will arrive in the city this evening for treatment under the direction of Dr. C. B. Stemen, at St. Joseph's hospital. The patient is Mrs. Sturgis, of Sturgis, Mich., 40 years of age, who sustained a fracture of the spine four weeks ago in a fall from a load of hay. Dr. Stemen intends, if the condition of the patient will warrant it, to perform an operation for the correction of the trouble. The operation is a very rare one, but it was successfuly performed by Dr. Stemen some years ago. Mrs Sturgis comes from a very prominent family, the town of Sturgis having received its name from her husband's ancestors.

REPRESENTS TOBACCO WORKERS

J. S. Whalen, of Rochester, N. Y., is a guest at the New Aveline today. Mr. Whalen is a member of the general executive board of the International Tobacco Workers' union, and he is making a brief visit to the city while en route home from St. Louis. He has been looking up matters there in the interest of the union organization, and stopped in Fort Wayne to make an inspection in connection with his official capacity. He leaves for the east late this afternoon.

MOLINEUX MAY TESTIFY.

New York, Oct. 30.—Counsel for the defense in the Molineux trial moved today that the court direct the jury to acquit the defendant on the ground that the evidence was insufficient. Justice Lambert denied the motion. After the adjournment Mr. Black was asked if Molineux will take the stand in his own behalf. "There is a strong likelihood that we shall call Mr. Molineux," he said, "but nothing has been decided."

HOLDING FINAL MEETING.

Trustees of the Indiana School for Feeble Minded Youth are at the institution this afternoon, holding the last trustees' meeting which closes the business of the school for the fiscal year. At the session today a multitude of matters will be gone over covering the work of the school for the past year, which has been most successful and satisfactory.

VISIT THE MINES

STRIKE ARBITRATORS BEGIN THEIR LABORS.

COMMENCE TOUR OF REGION

DON OVERALLS AND GO INTO A COAL SHAFT.

MUCH INTEREST IN JOURNEY

MINERS RESUME WORK AFTER CELEBRATION.

Scranton, Pa., Oct. 30.—The real work of the arbitration commission appointed by President Roosevelt to adjust the differences existing between the coal operators and their employes began today. Briefly stated the day's work will consist of a general inspection of the inside and outside workings of coal mines and the homes and surroundings of the workmen. All of the region lying north of here to Forest City, a stretch of twenty-two miles, will be gone over. This will take up the entire day. Tomorrow and Saturday the mining region from here south to Wilkesbarre will be looked over.

The commission is making this tour so that the members may gain a better idea of mining in order to more intelligently understand the testimony that will be given by experts on both sides of the controversy. No testimony will be taken during the inspection trips. The commission party consists of fourteen persons.

The entire party, which also includes four general mining superintendents and a number of newspaper correspondents, left the Delaware and Hudson railroad station for Forest City at 10 o'clock in a special train of Pullman cars, the expense of which is being borne by the commissioners. The start was delayed about an hour, owing to the very late arrival of the commissioners in this city last night.

THE COMMISSION'S JOURNEY.

Carbondale, Pa., Oct. 30.—On the run up the Lackawanna Valley the commissioners occupied the observation car and were shown the points of interest. In the car was a very large map showing the veins of coal between Scranton and the upper edge of the coal fields. The commissioners showed great interest in the map and asked the superintendents many questions. Commissioner Watkins, who has an expert knowledge of mining, having been an operator at one time, also explained in detail many features of coal mining. In giving their explanations the experts often used technical terms, such as "robbing the pillars," in each case where a technical term was used a commissioner would ask its meaning.

The news that the president's commissioners would go to Forest City on a special train spread through the upper valley and small groups of people gathered at the various stations along the line of the Delaware and Hudson railroad.

The personnel of the party is as follows: Judge Gray, Colonel Wright, Brigadier General John H. Wilson, Thomas H. Watkins, E. W. Parker, Bishop Spalding, E. E. Clark, commissioners; E. A. Moseley and Charles P. Neill, recorders; Charles Gerry, Charles W. Morris, Frank R. Hanna and A. G. Edwards, stenographers; Jesse Sears, messenger; General Superintendent R. A. Phillips, Delaware, Lackawanna and Western; E. E. Rose, general superintendent Delaware and Hudson; General Manager W. A. May, of the Erie company; General Superintendent J. R. Bryden, Ontario and Western; General Manager S. B. Thorne, Temple Iron company; T. D. Nicholls, district president United Mine Workers of America; Rev. Peter Roberts and James S. Warwick, both representing the miners; Henry Collins, national organizer United Mine Workers of America.

CROWD AT STATION.

The commission arrived here at 11 o'clock. A small crowd, among them some mine workers, were at the station to see the arbitrators. Carriages were immediately entered and the party was driven three-quarters of a mile to the No. 2 shaft of the Hillside Coal and Iron company, which is operated by the Erie Railroad company. The depth of the mine is 410 feet. This operation is said to be one of the best in the upper region and was selected by the operators. The mine workers' representative will also select a colliery for the inspection of the commissioners.

DONNED OVERALLS.

The party left the carriages some distance from the shaft and was taken to the engine room at the shaft in the mine carriage. Judge Gray, Bishop Spalding and the others donned overalls, jumpers and miners' caps, some of the party carrying miners' lamps in their hands while the others had them fastened to the caps. The descent was made at 12 o'clock. There were about 500 men and boys at work in the mine when the party was lowered into the workings.

About an hour before the commissioners arrived at the shaft a Hungarian was killed by a fall of roof in the Clifford mine, which adjoins the one the commissioners inspected. His body was doubled up under the fall, and his lamp failing to go out, set fire to his clothing and practically roasted him.

A THOROUGH INSPECTION.

It was 2:10 p. m. when the commissioners came to the surface. During the two hours spent under ground a thorough inspection was made. The commissioners were taken about a mile from the foot of the shaft and also went into the Clifford mine, which adjoins No. 2 shaft. The arbitrators were greatly interested in the blasting of coal by the miners.

IS EITHER LIAR OR LUNATIC

POLICE OPINION OF MAN WHO CONFESSES A MURDER.

Johnson Declares Himself the Slayer of Albert Lattimer, Who Was Killed in New York.

New York, Oct. 30.—William C. Johnson, who gave himself up to the Brooklyn police last night, declaring that he was the slayer of Albert C. Lattimer, who was shot at his home in July last, was questioned today by Detective Captain James G. Reynolds. Johnson was asked to describe the shoes, lantern and cap found on the Lattimer premises following the shooting. He declared that the lantern was a burglar's dark lantern, that the shoes were of the ordinary walking style, and that the cap was of thin black material. He went on: "This cap which you hand me is blue, the one I wore up there was black."

The lantern found by the police in Lattimer's home was a bicycle lantern, the cap was of thin black material and the shoes were low-cut, with felt soles.

When these articles were shown to Johnson he said they were not his. At the close of the prisoner's examination Captain Reynolds said to him that he was either crazy or a liar.

Johnson told the police he lived at 464 North Eighth street, Philadelphia.

Johnson told what purported to be a story of the killing of Lattimer, implicating a man named Walsh, a stranger, whom he said he met in New York. He could not tell where Walsh might be found.

Johnson was held until November 7 to give the police time to look him up and was remanded to jail.

IS NOT KNOWN THERE.

Philadelphia, Oct. 30.—Nothing is known in this city of William G. Johnson, who surrendered to the authorities at the Greenpoint, N. Y., police station, stating that he had killed Albert C. Lattimer in Brooklyn on July 2d. The address given by Johnson, 464 North Eighth street, is a stable and has been for several years. No person by the name of Johnson is known in the neighborhood.

PARIS MUSICIANS STRIKE.

Paris, Oct. 30.—The strike of the members of the orchestras of the theaters and other places of amusement began at noon today. The strikers assembled at the Labor exchange, bearing their instruments. Although the theater managers announced their purpose of fighting the strike, a number of them have already yielded rather than risk the loss which would ensue from a protracted struggle. Most of the large music halls and cafes have also yielded and their orchestras have returned to duty, though a number of them continue to resist and are giving performances without orchestras. The prefect of police having been advised of the intention of the strikers to invade theaters and wreck instruments of substitutes, posted a large force of police to preserve order at the threatened places of amusement.

Dr. E. P. White this morning operated on C. M. Gogan, of Valparaiso, for the removal of a cataract. Dr. Nieschang assisted in the operation.

MUCH OIL ABLAZE

MEYER BROS. DRUG HOUSE WAS THREATENED.

BRISK BLAZE IN BASEMENT

GENERAL ALARM FOR AN EARLY MORNING FIRE.

KEPT LOSS DOWN TO $2,000

THINK SPARK FROM FURNACE STARTED FLAMES.

Fire in the basement of the Meyer Bros.' drug store shortly after 7 o'clock this morning threatened for a time to wipe out the entire block at the southwest corner of Calhoun and Columbia streets and only some excellent work upon the part of the fire department prevented an extensive conflagration. In less than an hour of hard fighting the firemen had conquered the flames, and the total loss will not, it is believed, be greatly in excess of $2,000.

WAS IN OIL CELLAR.

The fire was confined within the limits of the oil cellar, occupying that portion of the basement formed by the Columbia street L of the building. Here were stored barrel after barrel of lubricating oils of every variety, the total quantity amounting to about a car load, and the inflammable stuff furnished the liveliest sort of fuel for the flames.

J. F. W. Meyer, Martin Schteele, a clerk, and Joe Grosjean, a boy employed by the firm, had reached the store at 7 o'clock and were busily preparing for the opening of the day's business. Grosjean had gone to the basement and lighted the furnace, which is inclosed by brick walls in a portion of the basement used as a depository for the oils. He returned to the upper floor, but when he had an errand to the basement perhaps ten minutes later Grosjean discovered that a brisk blaze had gotten a start at the end of one of the long banks upon which the barrels of oil rest.

He called to Mr. Meyer and the two made an ineffectual attempt to quench the blaze with a few pails of water. The character of the burning material made this impossible, however, and Mr. Schteele, who had joined them, telephoned in a fire alarm. The apparatus from the central station, from Washington street and from Bloomingdale responded in an incredibly short time.

SENT GENERAL ALARM.

Great volumes of dense black smoke were by this time pouring up through the grated windows on the Columbia street side of the store, and a similar demonstration was beginning to appear in Calhoun street, while the main store room quickly filled with the suffocating fumes. Chief Hilbrecht was fearful of an extensive conflagration and he at once sent in a general alarm, bringing all the fire-fighting apparatus in the city to the scene. The streets in every direction from the corner were soon a network of hose and at every fireplug in the vicinity a steamer was puffing away vigorously. Street car traffic was blocked some distance away and for an hour the traffic was handled by transfer.

The crowd of spectators was quickly swelled by the moving throngs just coming down town to work and it was the general opinion that the fire would be an extensive one, while many were apprehensive of explosions. Officer Pappert rushed to the upper rooms of buildings adjoining, which were rapidly filling with smoke, and aroused more than a dozen sleeping inmates, who hurried into their clothing and sought places of safety. Forcing their way through the suffocating smoke in the basement, however, the firemen turned stream after stream of water upon the seething mass and they won the fight. At 7:45 o'clock Chief Hilbrecht announced that the fire was checked. A few minutes later it was extinguished.

CAUSE AND LOSSES.

Inside the basement is a charred and blackened mass. Many of the barrels of oil were consumed, the joists supporting the floor are badly burned, and in one place the flames ate their way through the floor. The barrels of oil not consumed are heavily mixed with water, which was poured into the basement in a perfect deluge. The precise origin of the fire is unknown, but it is believed to have resulted in some manner from the furnace. An invoice of the loss is being taken today and an advance estimate places the loss upon Meyer Bros.' stock at $1,500. It is insured for $17,000. The building, owned by William Hahn and insured for $12,000, is probably damaged to the extent of $500. Business went forward uninterruptedly as soon as the fire was extinguished.

TRIED TO BURN A BARN.

Incendiaries made a second attempt last evening to burn the barn of Dr. S. D. Sledd at 240 Douglas avenue, but prompt work upon the part of the fire department kept the loss down to a nominal sum. The fire started near the manger on the west side of the barn, and here were found two paper boxes that had been filled with newspapers and saturated with coal oil. In the top of each box was a short candle of sufficient length to permit the escape of the incendiary before the candle should burn down and set fire to the oil-soaked paper. Only one of the candles had been lighted last night, and it is presumed that the dastard who planned the burning was frightened away before he had time to light the second infernal machine. Five months ago an attempt was made to burn the same barn. The blaze was discovered shortly before 6 o'clock. Two foolhardy drivers attempted to cross the street in front of Electrician Schroeder, who responded to the alarm in the chief's wagon, and Mr. Schroeder was compelled to run his horse and wagon on the sidewalk to avoid a collision. The police department has taken up a rigid investigation of the attempt of the incendiary.

PRISON FOR AUTOMOBILIST

W. B. RAYMOND SENTENCED TO SIX MONTHS.

Severe Penalty for Man Whose Motor Was in Collision With a Trolley Car.

New York, Oct. 30.—Six months imprisonment in the Kings county penitentiary was the sentence pronounced today by City Judge Kellogg, of Yonkers, upon W. B. Raymond, the automobilist, who was arrested after his machine had been in collision with a trolley car on Sunday last. The accident caused injuries to twenty-two persons who were on the car. The occupants of the automobile escaped unhurt. Joseph Nagle, the motorman of the trolley car, testified at the trial that the automobile had crossed the track in front of the car three times within a short distance. Raymond said that he had crossed the track and said he had done so in order to afford those with him a better view of the river. He acknowledged that on crossing the track he had failed to look back to see if a car was approaching. The car came in contact with the rear of the automobile and turned over on its side. Judge Kellogg, in sentencing Raymond, said he was convinced that the automobilist had been negligent and that he should be punished.

MAY SOLVE A MYSTERY.

Reading, Mass., Oct. 30.—The police in their investigation of the death of the woman whose remains were found near here yesterday under circumstances pointing to a murder have found a man who has partly identified the body as that of his former wife. It has been learned that this man is Sam Weingert, of Boston, and that the police found upon the woman's body a marriage certificate bearing his name. Weingert is a Hebrew peddler. He says that the woman whom he married lived in Baltimore, but that the wedding took place in Cincinnati about fifteen years ago. Weingert obtained a divorce about twelve years ago. Weingert says that his wife was weak mentally. She went by the name of Mary Mears.

WILL BE WEDDED TONIGHT.

The marriage of Miss Blanche Larimore and William Anderson will be solemnized this evening at the home of the bride's mother, Mrs. Elmira Larimore, of 1118 Jackson street, Rev. J. K. Walts, of Berry street M. E. church, officiating. The guests will be immediate relatives and there will be no attendants. Mr. Anderson and his bride will spend a week in Chicago, after which they will be at home with the bride's mother.

ELECTED OFFICERS.

St. Aloysius society of St. Mary's Catholic church elected the following officers last evening: President, Luke G. Otten; vice president, August Langhost; recording secretary, L. G. Schirmeyer; treasurer, George Deininger; corresponding secretary, John Bothner; financial secretary, Edward Offenloch; library secretary, Joseph Schwartz; ushers, Clem Schuckman, John Trentman and John Schnowberger. A social session followed the business meeting.

TOOK FATAL PLAN

TO FRIGHTEN MEMBERS OF HIS FAMILY.

FRED WEBER HANGS HIMSELF

WITHOUT REALLY INTENDING TO SUICIDE.

MAN WAS CRAZED BY LIQUOR

HAD OFTEN THREATENED SELF DESTRUCTION.

William Ferdinand Weber, familiarly known as "Fred" Weber, hanged himself in a bedroom at his home, 1215 West Main street, shortly before 10 o'clock Wednesday evening. The case is one of the strangest that has ever come to the notice of the local officials, for they are convinced that Weber did not really intend to end his life; that he simply chose that manner of frightening members of his family, and did not intend that the procedure should go far enough to result in his own death. Paradoxical as it may appear, the case looks like an accidental suicide.

Weber is said to have been habitually given to an excessive use of liquor, and after having been absent the entire day returned to his home at 9 o'clock last night and demanded that his wife prepare supper for him. Mrs. Weber, to whom the husband's conduct had become almost unbearable, told him the time to secure meals was at mealtime, and refused to cook supper at that hour. The husband announced that he would kill himself, but the threat had been made so often that neither Mrs. Weber nor her son, who was in the kitchen with her, paid any attention to Weber's remark.

It had been Weber's custom to go to the cellar where eatables were kept and help himself, and last evening he started down the stairway presumably upon this mission. Returning he secured a coil of half-inch rope, one hundred feet or more in length, and went to his bedroom. The door closed, and for some time Weber was heard shuffling about the floor. Then all grew quiet, and after some minutes Mrs. Weber called to her husband. There was no response and she sent her son to investigate.

BODY FELL TO FLOOR.

As young Weber pushed open the door of the darkened bedroom his father's body inside the room fell heavily to the floor. Hurriedly securing a light the young man saw that the form was apparently lifeless, but in the hope that he might be resuscitated Dr. G. B. Stemen was quickly called. The physician reached the home within a few minutes, but Weber was beyond human aid, and Dr. W. W. Barnett, the coroner, was notified.

Across the throat, and extending upward to a point immediately below the right ear, was a deep red mark showing where an improvised noose had caused death by strangulation. It is evident, the officials say, that when Weber entered the bedroom he threw a portion of the rope across the top of the door, which, when closed, suspended the noose tightly between the door and the casing. Inserting his head in this improvised loop Weber in his intoxicated condition must have lost his balance and hung helplessly until death ensued from strangulation. The officers believe that the noises heard by Mrs. Weber and her son were the efforts of Weber to regain his feet and thus prevent his own death. The history of the man's past leads them to the theory that he simply intended to frighten his family into toleration of his conduct, and perhaps expected them to rescue him before serious results could follow. Across the doorway is suspended a curtain in addition to the door, and this, together with the darkened condition of the room, prevented the son from noticing the rope above the door as he neared the doorway.

MADE MANY THREATS.

Weber was a native of Germany and came to America thirty years ago. He lived for some years at Peru, coming to Fort Wayne twelve years ago. He was a barber by occupation, but his habits were dissolute, and he was compelled to abandon the business. For a time he conducted a saloon on West Main street, and in March last obtained employment at the Electric works. He did not return to work on Monday, and it is said had been drinking heavily since Sunday. In past years it is said he has on several occasions strode through his home with an ax threatening to kill not only himself, but members of his family, while at other times, the officers say, he slept with a razor beneath his pillow for the announced purpose of ending his life. Early Monday morning Patrolman Smith found Weber violently excited, shaking a sash in an upper window at his home and yelling madly. Later he ran out into the street in his bare feet, but the officer persuaded him to quiet down and return home after threatening to lock him up. A year or two ago Weber suffered a broken leg in a fall in a saloon on Harrison street.

Weber was a member of lodge No. 19, A. O. U. W., and leaves a widow and five children. His funeral services will be held from the residence on Sunday afternoon at 2 o'clock. Rev. Breckinridge will officiate.

PROBLEM OF DOUKHOBORS

YORKTON DOES NOT KNOW HOW TO DEAL WITH THEM.

Though Governed by Religious Fanaticism, They are Guiltless of Any Wrongdoing.

St. Paul, Minn., Oct. 30.—A special to the Dispatch from Yorkton, N. W. T., says:

Many and varied opinions are expressed as to the best way of dealing with the Doukhobors, but on one point every person is unanimous, and that is that nothing is to be feared from them physically. Not in a single instance have they been reported as creating any disturbance or wilfully doing any harm. They are simply on a religious pilgrimage and their individual behavior, it is generally admitted, speaks well for their Christian character if some of their harmless fanaticism were excluded.

The mounted police tried to induce them to change their quarters to a position north of town, and succeeded in inducing them to come to the center of the town, but they positively refused to move northward, although offering no other opposition.

Last night they were camped four miles down the track towards Saltcoats. As soon as they were given their way a great many of their number deserted. What causes many to join is a desire for persecution, but being treated kindly they soon fall from the ranks. The women and children are still sheltered in town and are kept under guard of special constables to prevent them joining the men.

FACTORIES MUST QUIT GAS

ALL BOILERS TO GO OFF LINE ON SATURDAY.

Company Will Husband Supply for Private Consumers—Serving Notice Today.

This afternoon representatives of the Fort Wayne Gas company began the work of serving notice upon manufacturing institutions and other large consumers of natural gas in Fort Wayne that after November 1 it will be necessary for them to provide other fuel.

This is done, as heretofore, in the effort to provide a more plentiful supply of gas for the private consumers, and the order is sweeping in its scope. It means that after November 1 no natural gas will be supplied beneath the boilers of Fort Wayne factories, and means also the dropping out of the heaviest consumers until after the winter is past and there is a supply sufficient to meet the needs of all consumers.

The company is serving a personal notification upon each consumer, and under no circumstances will gas be supplied for steam-making. Should the institutions desire to operate heating stoves by gas the company cannot decline to serve them, but it will do so only at the regular meter rate of fifteen cents per thousand cubic feet. The factories have been supplied with the gas for fuel at a rate much below this figure.

BUELOW—RUPP.

Miss Daisy Rupp and John Buelow were united in marriage last evening at 7:30 o'clock at the home of the bride's parents, Mr. and Mrs. John Rupp, on Spy Run avenue, by Rev. S. Wagenhals, pastor of Trinity English Lutheran church. There were no attendants. After the ceremony a small reception was held at the newly furnished home of the couple at 718 West Third street. The wedding will be somewhat of a surprise to their many friends who were unaware of their quiet engagement.

Miss Edna Bowser, of 2530 Winter street, is ill.

FEAR FOUL CRIME

THREE BODIES FOUND IN THE RUINS OF A HOME.

TRIPLE MURDER SUSPECTED

HOUSE SET ON FIRE TO HIDE THE BLOODY CRIME.

TRAGEDY NEAR ELKHORN, WIS.

WICKERSON FAMILY ALWAYS HAD MONEY IN HOUSE.

Milwaukee, Wis., Oct. 30.—An evening Wisconsin special from Elkhorn, Wis., says:

William Wickerson, aged 46, Albert Wickingson, a brother, aged 42, and Julia Wickerson, a sister, aged 35 years, were found burned to death in their home ten miles west of here today. The Wickersons were well-to-do farmers.

It is supposed that the Wickersons were robbed and murdered and the house set on fire to cover up the crime.

Four other members of the family were not at home at the time.

The Wickersons were reputed to be wealthy and it was said that they were accustomed to leave large sums of money around the house.

CONTINGENT FUND RAISED.

New York, Oct. 30.—Although only six days have elapsed since John D. Rockefeller offered to contribute $500,000 to Teachers' college, contingent on the raising of $440,000 by the college trustees, the efforts of the latter have so far succeeded that the success of their canvassing is practically assured. The authorities of the college have received pledges for nearly all of the $440,000, which the college must obtain.

Mr. Rockefeller's offer of $500,000 was made conditionally on the payment of all outstanding debts of the college and the raising of $250,000 for endowment from other sources. One-half of Mr. Rockefeller's $500,000 will be available as soon as the debts of the corporation, amounting to $190,000, shall have been paid and the other half in installments of $25,000 whenever an equal sum is received by the treasurer of the college.

Mr. Rockefeller's contribution to the college was made "as a thank offering to Almighty God for the preservation of his family and household on the occasion of the destruction by fire of his country home at Pocantico Hill, N. Y., on the night of Sept. 17, 1902."

FACULTY YIELDS A POINT.

Lansing, Mich., Oct. 30.—A mass meeting of the striking Michigan Agricultural college students was held this morning at which a proposition to end the strike was presented from the faculty. It was to the effect that the students resume class work and that a new committee of the faculty will rehear their grievances and if they can show that the former action of the faculty in suspending seventeen students for participating in the freshmen-sophomore class rush was unjust the sentences will be materially altered and that if the judgment of the committee is not satisfactory to the students they may have the right of appealing to the state board of agriculture. Before a vote was taken on the proposition the students adjourned until this afternoon when they decided to accept the proposition. Recitations will be resumed in the morning.

ARRESTS WILL BE MADE.

Affidavits have been filed against the assailants of Cornelius Decker, the Lafayette street saloonkeeper who was so badly beaten in his saloon two weeks ago today. Decker at the time refused to tell who the men were who gave him such an artistic thumping and smashed beer bottles on his head regardless of expense. Decker stood pat and never did reveal the names of his violent friends. The police department, however, continued the investigation and secured the names of four men against whom affidavits were filed in Prosecutor Emrick's office this morning. No names are yet given out.

STRIKERS GO BACK TO WORK.

Montreal, Oct. 30.—The longshoremen who went on strike here yesterday for an increase of wages have all returned to work, the steamship companies having granted their demands for 30 cents an hour for day and 35 cents for night work.

Cure for Asthma and Hay Fever

The statements published below confirm the claim of Dr. Schiffmann that his remedy is an absolute cure for Asthma and Hay Fever.

Mrs. Mary Zachary, Pleasant Hill, La., says: "I have found your Asthma Cure a permanent cure for Asthma, for which I used it 7 years ago. I have never had the slightest return of the trouble since. I have also found your remedy excellent in Bronchial affections."

A Hay Fever sufferer writes: "I have had Hay Fever for 14 years. I bought a package of your remedy (Schiffmann's Asthma Cure), of our druggist and due to this date this is the first summer that I have not been troubled." Mrs. Frank Gailfogle, 6237 Ridge avenue, Roxboro, Philadelphia.

Sold by druggists at 50c and $1.00.

JIM DAVIS UNDER ARREST

HE WAS A PARTICIPANT IN GRAND STREET MELEE.

Sheriff Stout Causes His Arrest in Wabash for Larceny Committed Here—Courts.

August 22 there was a rough house on Grand street, the chief actors being a couple of colored boarders in a hostlery chiefly devoted to taking care of colored boarders. A gentleman rejoicing in the euphonious cognomen of "Shorty," managed to get to the woods after shooting a shot or two and cutting chunks out of the atmosphere with a newly honed razor. Another colored gentleman by the name of Jim Davis also managed to get away after, as charged, slicing a few hunks from the person of the inoffensive Mr. Ed Diggs. The trouble seems to have been provoked by Davis taking a suit of clothes belonging to Joseph Schuyler. The whole program was of a rather mixed order and the matter was supposed to have blown over. The sheriff, however, took the matter up and learned that Davis had a sister living at Wabash. Accordingly he requested the Wabash officer to keep a lookout for Davis. Last evening Davis was picked up by the Wabash officer and this morning Sheriff Stout went down there to bring him back.

Condemnation proceedings were filed today by the Fort Wayne, Van Wert and Lima Traction company for a right of way through the lands of Emmett Turner in Jefferson township.

The sheriff's office will be open every night this week for the purpose of swearing in election sheriffs for next Tuesday. This accommodation is for the convenience of a number of Fort Wayne deputies who can not well present themselves during the day time.

The superior court was not in session today.

Frank Treace, a young fellow sent to the reform school from DeKalb county some time ago, and who is out on parole, is in danger of being sent back. He was arrested more than a week ago as a bad boy and for complicity in the robbery of the fruit stand of Dominick Lewis on Wells street. He is now in jail in default of bond, but was expected to have been brought before Judge O'Rourke today. Meantime an officer of the reform school has written a letter to the local officers saying that young Treace has been a pretty well behaved inmate and that he thought he should be given a chance. Just what constitutes a "chance" with the institution officer the letter did not state. The local officers think that when a young man breaks his parole by committing burglary and robbery his chances for a "chance" are about all in.

The commissioners were detained in their office this morning with small miscellaneous business and did not make their bridge inspection tour, as was intended.

MATE BRETZ'S BODY FOUND.

Ashtabula, Ohio, Oct. 30.—The badly decomposed body of Second Mate John C. Bretz, of the steamer Lockwood, which foundered twelve miles off this port during a heavy storm on the evening of October 13, has been found on the beach near here. Bretz with nine other members of the crew left the vessel in an open boat. The latter, it is supposed, was swamped in the terrific sea and all of the men were drowned. Bretz's body is the first to be recovered.

HERE AT HOME.

FORT WAYNE CITIZENS GLADLY TESTIFY.

It is testimony like the following that has placed "the little conqueror" so far above competitors. When people right here at home raise their voice in praise there is no room left for doubt. Read the public statement of a Fort Wayne citizen:

Mrs. Jos. Ankenbruck, of 30 Erie street, says: "I did not take Doan's Kidney Pills, sold at Meyer Bros. & Co.'s drug store, as I should, but they did me good. My son George was affected with both kidney trouble and backache and he started taking them. It was not long before he was cured."

Sold for 50 cents per box by all dealers. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

VISIT THE MINES

(Continued from First Page.)

The workmen were asked many questions by different members of the commission as to their age, character of work, rate of wages, etc.

While going along the main gangway the mine car in which Judge Gray, General Wilson and Messrs. Clark and Parker were riding left the track and slightly jostled its occupants. It was easily placed on the track by the miners. After the party came to the surface an inspection of the outside buildings was made.

STRIKE TO GO ON.

Hazelton, Pa., Oct. 30.—The strike at the seven collieries of Coxe Brothers & Co., the four mines of G. B. Markle & Co., and the Silver Brook operation of J. S. Wentz & Co., was officially renewed today through an order issued by District Secretary Gallagher, of the United Mine Workers, upon instructions from President Mitchell. The strikers at those mines were not permitted to return to work in a body, Coxes insisting that their employes make personal application for their former positions and G. B. Markle & Co., requiring that each man before going back to work promise to abide by the decision of the arbitration commission. The mine workers allege that the object of these requirements is discriminating against men who were prominent in the strike.

A. Pardee & Co.'s collieries, where the men have been asked not to interfere with non-union hands, are not included in the strike order. The men voted on Saturday not to resume work until the agreement is withdrawn.

WORK IS RESUMED.

Wilkesbarre, Pa., Oct. 30.—There was a general resumption of coal mining today, but as is generally the case after a holiday, quite a number of miners did not report for work. All the mines in operation, however, are capable of turning out more coal now than last week and a large output is looked for today.

President Mitchell is busy at headquarters compiling statistics for presentation to the arbitration board when he is called upon. He said he did not expect to go to Scranton today.

The various companies of the Fourth and Eighth regiments are leaving the region for their homes.

TROOPS QUIT COAL FIELDS.

Pottsville, Pa., Oct. 30.—It is expected that all troops in the coal region will be ordered home before the beginning of next week. The first battalion of the Second regiment located at St. Clair and the first battalion of the Third regiment at Minersville left for Philadelphia today. General Schall said today that the two battalions of the Third regiment at Audenried will be sent home tomorrow.

All the collieries in the Panther Creek valley resumed operations today. The Park Place colliery in the Mahanoy region resumed operations today after a week's idleness. One thousand employes had gone on strike because several union men were not reinstated. The leaders prevailed upon the men to return to work with the understanding that those who were discriminated against would be provided for by the union until they secured employment elsewhere.

TWO STORIES OF IT.

William Zedaker, employed by the Prudential Insurance company, living at 1427 St. Marys avenue, claims that he went into the Randall hotel bar yesterday afternoon, where he was brutally set upon by Ed. French, the bartender, and was cruelly beaten. He relates that the assault was without any provocation of any kind. Affidavits are in course of preparation this afternoon. At the hotel bar an innocent-looking bartender was surprised to hear that there had even been a fight in the place and the hotel attaches pretend to know nothing of it. A. B. Jackson, proprietor of the bar, however, says that Zedaker went into the place yesterday and bought a drink; that he had been in before and run a "tab" of 85 cents, after which time he had not been back until yesterday, and that Bartender French asked him for the amount he owed, whereupon Zedaker became abusive and called French a name that brought on the fight.

The Caledonian society will give a unique Hallowe'en entertainment Friday evening. The affair is in the hands of the ladies' auxiliary and a pleasant evening is assured.

DEATHS AND FUNERALS.

BOND.

Mrs. Lucelia Frances Bond, sixty-seven years of age, died at 5 o'clock Wednesday evening at the VanBuskirk sanitarium on South Calhoun street, after an illness of several months. Mrs. Bond had long been in failing health. She was the widow of the late W. J. Bond, for many years a dry goods merchant and druggist in this city.

Mrs. Bond was born in New York city, and nearly fifty years ago was united in marriage to Mr. Bond in Philadelphia. Some years after the marriage they located in Fort Wayne, where the husband embarked in business, conducting a drug store and a dry goods store on South Calhoun street. About 1883 Mr. Bond sold his drug store and removed the dry goods stock to the room at the southwest corner of Main and Calhoun streets, where he continued business some years. Mr. Bond died eleven years ago.

His widow was a devoted member of the Catholic church and a most estimable woman, who enjoyed the friendship and esteem of all who knew her. Ten children survive, as follows: William Bond, Chicago; Marshall Bond, Cleveland; Mrs. Franse Malloy, Miss Belle Bond, Mrs. Edith Orrock and Mrs. Wilmer Leonard, of this city; Eugene Bond, Cleveland; John Bond, Cleveland; Mrs. Grace Richmond, of Scotland, and George Bond, of Cleveland.

The funeral will be held on Saturday morning at 10:30 from the residence of Mrs. Malloy, corner DeWald and Harrison streets, and at 11 o'clock from St. Peter's Catholic church. Friends are requested not to send flowers.

FUNERAL ANNOUNCEMENTS.

Martin.—Funeral services of Terrence Martin will be held Friday morning at 8:30 from the residence, 2109 Hanna street, and at 9 o'clock from St. Peter's Catholic church.

Nestel.—Funeral services of Miss Henriette Nestel will be held Friday afternoon at 2 o'clock from the residence, 815 West Creighton avenue.

ELDRIDGE WAS FINED.

Superintendent Gorsline is this afternoon in receipt of a letter from Battle Creek, Mich., from Deputy Sheriff Williams, the officer who came here a week ago to take back the actor Eldridge, who was wanted there for a felonious assault upon a respectable young lady of the place. He says that the prosecutor was weak-kneed and allowed Eldridge to plead guilty to a charge of plain assault. He was fined $50, which fine was promptly paid by a local gambler. Williams then induced a hotel proprietor whom Eldridge had defrauded to file another affidavit against him on this charge, and he was fined $25, which was also paid by the aforesaid gambler. Eldridge then slipped out of town. The deputy sheriff says of Eldridge's attempt to escape from the train that near Lagrange the prisoner asked permission to go to the closet. Williams followed him to the door and as the train started out from Lagrange he stepped out on the platform. Just as the train commenced to move Eldridge jumped through the closet window and was seen by the deputy, who jumped from the platform and lit right on top of him. He says the train was barely moving at the time and thus cruelly spoils a good story printed in the local papers relating that the two men jumped from the train while it was moving at the rate of at least thirty miles an hour.

MOTHER AND DAUGHTER CURED BY BLOOD WINE

Mrs. Emily Cote, cor. Maple and Lowell Sts., Manchester, N. H., says:

"I can truthfully say these awful pains of neuralgia which nearly drove my poor head distracted have entirely disappeared and I am positive 'Blood Wine' cured me."

Robertine Cote, Manchester, N. H., says:

"I am sixteen years old and have lately been troubled with painful periods. My mother (see above) said it was my age but finally as I suffered intensely she made me try 'Blood Wine.' I found it eased my pain and now when I feel the pain coming on I take a new dose of 'Blood Wine' and get great relief."

"Blood Wine" is a boon to suffering womanhood. It quiets the nerves, soothes and cures the aching head and by its peculiar action on the blood regulates and strengthens the natural functions. No wine—no opiates—absolutely pure. Fifty cents a bottle.

transient, or out-of-town customers, who wish to visit the different establishments before they do their buying. The number of these who return to make their purchases of us is certainly the most convincing proof that we could have that our goods and prices are right.

It Is the Style and quality

of the goods found in our Suit and Cloak Room, points noticeable to all, which gives them their popularity.

The Stylish Monte Carlo Cloaks

that we are selling at $6.00, $7.50, $10.00, $12.50, $15.00, $18.50, up to $35.00, are qualities that hold and draw trade for us.

We are also having a decided run on

Walking Skirts

Starting them at $3.00, with the next number at $3.49, in black, brown and gray, they are pronounced the greatest bargains in the city for the money. Our $5.00, $6.00, $8.00, $10.00, $12.00, up to $20.00, in all colors, in WALKING SKIRTS are values that are not and cannot be surpassed.

The Demand for Furs

is increasing daily and we were never so well fixed to meet a big Fur trade. With prices on FUR SCARFS as low as 98c, with all the intermediate prices up to $40.00, our unfailing barometer, "the Come-Back Trade" on these goods, gives satisfactory indications as to outlook for the Fur business this season.

Architect M. J. Stock is making drawings for a frame residence for Patrick Cox, to be erected on East Pontiac street, and is also making drawings for a ten-room frame house for H. W. Fellis, to be built at the corner of Thompson and Clifton avenues.

A horse hitched to one of J. R. Hartzell's delivery wagons, completely demolished the front end of the wagon with its heels on Calhoun street yesterday. The animal began kicking from no apparent reason whatever and kept it up until the wagon was a wreck.

The students of the International Business College contributed a very handsome floral offering in memory of George Weingart, of Kendallville, who died in this city on Tuesday from cocaine poisoning. Prof. H. A. Popp is representing the college at the funeral, which was held today at Kendallville.

E. A. Eaton, of Wellington, O., has just completed laying the inlaid floors throughout the J. M. Henry residence on West Jefferson street, recently purchased by William V. Reul, of the Indiana Furniture company. Mr. Reul is having many other improvements made in the residence and expects to occupy it in about two weeks.

HORSTMAN-STEPHENS.

Miss Julia Stephens and Joseph Horstman were united in marriage yesterday morning at 9 o'clock at St Mary's Catholic church by Rev. J. H. Oechtering. Miss Carrie Horstman and James Stephens were the attendants. The bride was becomingly attired in a light blue silk mull made over silk and the bridal maid wore a foulard silk. In the evening the couple were tendered a reception at the home of the bride's brother, James Stephens, of East Lewis street. The bride is a daughter of Mr. and Mrs. George W. Stephens, of Delphos, Ohio. Guests from out of the city were the bride's parents from Delphos, James Stephens, of Hamilton, Ohio; Mr. and Mrs. J. Horstman, of Auburn, Ohio.

GAVE BIG PEDRO PARTY.

Fort Wayne lodge No. 19, A. O. U. W., entertained a large company of members of the fraternity at progressive pedro at its hall last evening and a smoker followed. Presentation of the prizes was made by Congressman Robinson, Fred Bohlman winning first, F. J. Voirol second, Paul Wood third and O. L. Robbins the consolation.

CURES ECZEMA AND ITCHING HUMORS THROUGH THE BLOOD—COSTS NOTHING TO TRY IT.

B. B. B. (Botanic Blood Balm) is a certain and sure cure for eczema, itching skin humors, scabs, scales, watery blisters, pimples, aching bones or joints, boils, carbuncles, prickling pain in the skin, old, eating sores ulcers, etc. Botanic Blood Balm cures the worst and most deep-seated cases by enriching, purifying and vitalizing the blood, thereby giving a healthy blood supply to the skin. Other remedies may relieve, but B. B. B. actually cures, heals every sore, and gives the rich glow of health to the skin, making the blood red and nourishing. Especially advised for old, obstinate cases. Druggists, $1. Trial treatment free and prepaid by writing Dr. Gillam, 213 Mitchell St., Atlanta, Ga. Describe trouble and free medical advice given. Sold in Fort Wayne by Ranke & Nussbaum, 88 Calhoun St. tf-2

Huntington Democrat: Ernest Koehn, of Fort Wayne, is the guest of Mr. and Mrs. C. W. Kochlinger.

HIS LIFE IN PERIL.

"I just seemed to have gone all to pieces," writes Alfred Hee, of Welfare, Tex., "billousness and a lame back had made life a burden. I couldn't eat or sleep and felt almost too worn out to work when I began to use Electric Bitters, but they worked wonders. Now I sleep like a top, can eat anything, have gained in strength and enjoy hard work." They give vigorous health and new life to weak, sickly, run-down people. Try them. Only 50c at Dreier & Bro.'s drug store.

Mrs. Agatha Wiemer, of Elmira, N. Y., will arrive tomorrow to be the guest of Mrs. Clifford Brinsley.

DANGER IN FALL COLDS.

Fall colds are liable to hang on all winter, leaving the seeds of pneumonia, bronchitis or consumption. Foley's Honey and Tar cures quickly and prevents serious results. It is old and reliable, tried and tested, safe and sure, contains no opiates and will not constipate. Sold by Dreier & Bro. and Pellens & Polster.

Mr. and Mrs. F. W. Kuhne have left for an extended visit in California.

LOOK OUT FOR HAY FEVER.

Biliousness and liver disorders at this season may be prevented by cleansing the system with DeWitt's Little Early Risers. These famous little pills do not gripe. They move the bowels gently, but copiously, and by reason of the tonic properties give tone and strength to the glands. Meyer Bros. & Co.

Mrs. W. J. Vesey returned yesterday from a brief visit at Decatur.

CATARRH CANNOT BE CURED

with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years, and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarrh. Send for testimonials free.

Masonic Temple—This week:
Tonight—"The Minister's Daughters."
Friday night—"On the Quiet."
Saturday matinee and night—"The Runaway Girl."

Schwab, the steel magnate and president of the steel trust, is astonishing Europe with the recklessness of his expenditures. It may be said, also, and strictly on the quiet, that Mr. Schwab is astonishing his friends likewise.

The grand jury of Monroe county, where numerous whitecap outrages have occurred during the past few months, has adjourned after investigating the subject of whitecapping without finding any of the midnight marauders. It is hoped the grand jury room was also searched.

Governor Durbin is reported to be in a very unamiable frame of mind because the board of control of the Jeffersonville reformatory accepted Warden Herl's resignation and appointed his successor without consulting his excellency. The ousting of Herl probably has his approval, though he may have desired to play a hand in that part of the game himself.

The campaign has come almost to its close and yet no reason has been brought forward why Hon. James M. Robinson should not be returned to congress from the Twelfth district. No democrat can have any reason to fail in support of him and no man of any other party who has heretofore been his friend can have any reason for not supporting him again. Mr. Robinson's ability, his capacity for hard work and his loyalty to the people of the district make it important that he be re-elected.

The mine-strike commission does not purpose to allow itself to be driven up a tree or put in a hole by technicalities. The members are going through the mines to learn by direct contact and first sight just what the mining of anthracite coal means. Expert witnesses will not be able to confuse the commissioners or set them groping in the dark. They will know "where they are at" most of the time.

The Indiana Anti-Saloon League is preparing to inaugurate a vigorous campaign in Indianapolis. The league will have the hearty co-operation and substantial aid of the temperance people and ministers of Indianapolis and during the next six months it is expected that a large number of saloons in certain wards will be forced out of business. Big public meetings and rallies are to be held and a powerful effort will be made to stir up public sentiment to a point where the league may count on its support. Blanket remonstrances will be the expedient employed to root out a lot of saloons. Drug stores which are known or believed to be doing a contraband business in intoxicants will receive attention and effort will be made to get the next session of the legislature to reinforce with new enactments the present laws regulating the sale of liquor by drug stores.

Rundell's Rheumatic Cure

IS SOLD UNDER A POSITIVE GUARANTEE BY ALL DRUGGISTS TO CURE RHEUMATISM OR REFUND YOUR MONEY.

It does not contain any salicylic acid, turpentine, mercury, strychnine nor opiates of any kind. It will not harm the most delicate organs of the body. We have cured over two hundred and fifty cases in Allen county alone. Sold and guaranteed to cure by all druggists.

NATURAL ANXIETY.

Mothers regard approaching winter with uneasiness; children take cold so easily. No disease costs more little lives than croup. Its attack is so sudden that the sufferer is often beyond human aid before the doctor arrives. Such cases yield readily to One Minute Cough Cure. Liquifies the mucus, allays inflammation, removes danger. Absolutely safe. Acts immediately. Cures coughs, colds, grip, bronchitis, all throat and lung trouble. F. S. McMahon, Hampton, Ga.: "A bad cold rendered me voiceless just before an oratorical contest. I intended to withdraw but took One Minute Cough Cure. It restored my voice in time to win the medal." Meyer Bros. & Co.

TWO KILLED BY TROLLEY CAR.

Ypsilanti, Mich., Oct. 30.—Josiah Finton, a retired farmer, and his 6-year-old grandson, Ford Finton, were struck and killed by a Detroit, Ypsilanti, Ann Arbor and Jackson electric suburban car a few miles from here today. They were on their way to the city and drove across the track directly in front of the approaching car. Mr. Finton's wife is dangerously ill and it is supposed that he was worrying about her and failed to notice the car. A woman in a nearby house saw the accident reflected in a mirror.

MINES STILL CAVING IN.

Joplin, Mo., Oct. 30.—The Prosperity mine cave-in yesterday is assuming big proportions. In addition to seven shafts on the Eleventh Hour tract that were utterly destroyed, the Homestead and Cleveland mines caved in. The ruined mines were all producers and have paid a half million dollars in dividends. Five other mines in the immediate vicinity are considered unsafe and have been abandoned.

IMPORTANT ARRESTS.

St. Paul, Minn., Oct. 30.—A Helena (Mont.) special to the Dispatch says: Postoffice Inspector Beatty made at Kalispiel last night what is believed to be an important arrest when he captured Louis Peterson and James Bourke. The men were offering to sell stamps at a discount and when arrested had over 3,000 in their possession.

ARRESTED ON OLD CHARGE

ANDREW BEUKNER IS HELD BY THE POLICE.

Member of a Bad Gang, It is Said—Used Dynamite in River, the Charge Alleges.

Police court was unprolific of anything except a very old case. Andrew Beukner, the defendant, would much rather there had been something new doing instead of going back into ancient history. Beukner is a member of "the east end gang" and his arrest on an old charge simply indicates the persistency with which the police department has started in to break up the combination and put an end to the intolerable annoyances and depredations the good citizens of the eastern part of the city have suffered for a number of years—in fact, since the original "east end gang" was broken up about ten years ago by sending most of the ringleaders to the penitentiary. Beukner's arrest was on an old warrant issued last April or May, and charged him, with others, with having unlawfully used dynamite in the waters of the Maumee, ostensibly for fishing purposes. Two of his companions were arrested and fined in justices' courts, but Beukner disappeared and was away from the city for some time. Later when he returned he kept out of the way of the officers until last night, when he was arrested at his home, corner of Coombs and Cochran streets. His arrest was rather unexpected to the prosecutor, who asked that the case be continued until he could collect the witnesses. Beukner was accordingly sent to jail in default of a bond for $300 to appear at police court on Wednesday morning, Nov. 5. The prisoner is about nineteen years of age.

POLICE NOTES.

A Mr. Boltz, living on Pearl street, reported to the police that a dog owned at the corner of Pearl and Griffith streets had bitten him and that he wanted the dog killed. To impress his claim on the dog's future he stated that the same dog had bitten a boy on Tuesday and was known as a vicious animal.

Officer Murphy furnishes daily bulletins concerning the condition of Korber, the victim of the assault in Oertel's saloon on Saturday night. Today Korber is resting easy and it is expected he will be well enough to get to police court by about Monday.

An officer was called to 726 Hugh street last night to settle a family difficulty. When he arrived his services were not needed, the lady of the house having knocked the husband out in the first round and put him to bed.

Mrs. C. A. Dunkelberg, of 2415 Thomas street, reported that she yesterday lost a watch while out driving. The timepiece is a gold one and a reward for its return is offered.

COLONEL SWAYNE IS SAFE.

Aden, Arabia, Oct. 30.—Colonel Swayne, the British commissioner in Somaliland, has reached Berbera in safety. His wounded are doing well. No further movement of the British troops against the mad mullah will be made until a large force is collected, which will be about two months hence. There is no doubt that the Somali levies showed the white feather in the recent fighting with the mullah's followers. Colonel Cobbe is in command at Bohotle, Somaliland, where the guns have arrived. The garrison there is not threatened.

FOR PRIZE FLOWER GARDENS

WORK TO BE ENCOURAGED BY FORT WAYNE LADIES.

Something of the Effort and Aims of the American Park and Out-Door Art Association.

In many cities prize flower gardens have been successfully cultivated under the guidance of the women's clubs, and this feature of the outdoor art work will be inaugurated by the women of Fort Wayne when the time for planting arrives next spring. Plans are already under way for securing a number of tracts of ground, adjacent to schools, where pupils will be encouraged in the cultivation of flowers and a development of the love of the beautiful.

The Arbor day movement has already been taken up, and in this connection a lady prominent in the movement appeals for the preservation of one of the most beautiful growths of trees possessed by Fort Wayne or any other city—that grand double row of elms which adorn the space fronting the new high school site on Barr street. To mar or injure unnecessarily one of these noble gifts of nature would be most lamentable.

SOMETHING OF ITS WORK.

The aim of the American Park and Out Door Art association is significantly expressed in the motto: "Leave the world more beautiful than you found it." Discussing the nature and objects of the association, a prominent Fort Wayne club woman said:

"It was in April, 1897, that Gen. John B. Castleman and his colleagues of the Louisville Park Board decided to invite the park commissioners of the several American cities, park designers and engineers and others interested in the subject, to a gathering in their city. The meeting was held and attended by a representative set of men and women. Before they said good-bye to their genial and public spirited hosts the visitors banded themselves together under the style of the American Park and Out Door Art association.

"The purpose of the association, as stated in the first draft of the constitution, was to promote the conservation of natural scenery, the acquirement and improvement of land for public parks and reservations and the advancement of all out door art, having to do with the designing and fitting of the grounds for public and private use and enjoyment. In 1902 so far reaching had the influence of the association become, that an auxiliary branch of women was formed in Chicago, and there are now seven active working branches, with an enrolled membership of 231; working with united effort under the same constitution as the association, members paying annual dues of $2, which entitles them to membership in the American Park and Out Door Art association.

WHAT IT GAINED.

"And what do we learn or gain from the teachings of these organizations? First, to love our homes; then, to learn how to plant and grow nature's embellishments of trees, vines, shrubs, grass and flowers. Many know the art of arrangement by instinct; others have a faculty of acquiring requisite knowledge through books, but the most forceful teaching is through example, and it is to supply these examples of good art planting that the Out Door Art association exists.

"It does not go about the country planting sample house lots in every village. Neither does it publish a planting plan and say to everybody, 'Here, go ahead and lay this out on your ground,' which would be to stereotype conditions. It is the cultivation of individual taste that is sought, and examples are furnished through public parks and gardens, whose superintendents are in many instances members of the association.

"Another means of furnishing examples is found through the agency of the public schools, where children are promoted. These are found east, west, north and south, and the woman's auxiliary has stimulated the work by arousing the interest of active women club members."

PROGRAM A GOOD ONE.

The Woman's Relief corps camp fire in the assembly room of the court house last evening was a thorough success, and the program was thoroughly enjoyed. Every seat in the big room was occupied and many were unable to gain admittance. Dr. C. B. Stemen presided and the invocation was by Rev. J. W. Lake, of Calvary United Brethren church. Mrs. Amanda Edsall delivered the address of welcome, which was responded to by Miss Helen Whitford, of Garrett. The Emerson quartet gave a selection, which was followed by an address by J. E. Graham on behalf of Sion S. Bass post, G. A. R. A musical selection by Miss Lottie Radue followed, and Mrs. D. E. Studebaker, of Bluffton, recited. A vocal solo by Dr. Harriet MacBeth was pleasing. One of the features of the evening was a Dutch wooden shoe dance by Grace Parisot and Grace Kierspe and the young ladies were called back several times. Judge S. M. Hench gave some reminiscences of the civil war, and after a few more recitations and musical numbers the camp fire was brought to a close.

LEAVES BUSINESS AND CASH.

Goshen, Ind., Oct. 30.—David May, local news dealer in Chicago, Indianapolis and Cincinnati papers, mysteriously disappeared Wednesday evening, abandoning a lucrative business and leaving his bank account of several hundred dollars undisturbed. He was traced as far as Elkhart, where a person answering his description purchased a ticket to Chicago last night. His widowed sister, with whom he lived, is prostrated and under a physician's care. She knows no reason for his strange disappearance unless he is temporarily demented. He is thirty-one years old, four feet four inches tall, and had exemplary habits. He came here two years ago from Sherwood, Ohio, where he was a printer.

During Attacks Of Heart Failure.

Would Appear To Be Dead.

Dr. Miles' Heart Cure Relieved and Cured.

"I have no hesitation in saying that Dr. Miles' Heart Cure is all that one can wish it to be. I was troubled with heart disease for fifteen years. I have tried many different remedies but until I tried Dr. Miles' Heart Cure I could find no relief. I was subject to headaches and had tried your Pain Pills and they were so effective I thought your Heart Cure might help me. I would have attacks at times so severe that I would be stone blind for the time being. During these spells I would be to all appearances dead. I took the medicine strictly as directed and I can truthfully say that I am completely cured. I advise all that are troubled with heart disease to take Dr. Miles' New Heart Cure at once. I write this and give my name to my fellow sufferers."—S. E. Purdy, Atkinson, Nebraska.

"I first felt the effects of a weak heart in the fall of 1896. I saw an advertisement in the Sioux City paper in which a man stated his symptoms which seemed to me to indicate a trouble similar to mine. I had a soreness in the chest at times, and in my shoulder, an oppressive choking sensation in my throat and suffered from weak and hungry spells. I was truly frightened at my condition and procured six bottles of Dr. Miles' Heart Cure. Since taking my first bottle I have never been bothered by any of the old disagreeable symptoms and now am well and consider my cure permanent."—Lewis Anderson, Kuhn, S. D.

GENERAL BOTHA PROTESTS

SAYS BOER MISSION FAILS OF ITS PURPOSE.

Words Misconstrued and Wrong Purpose Assigned to Actions —Wants Truth Known.

New York, Oct. 30.—General Botha, of the Boer commission, now in Europe trying to raise funds for the redemption of the ruined farming districts of South Africa, has cabled to the World at length on the results of the general mission up to date. The article says in part:

"Our words have been misconstrued, our actions have been assigned the wrong motives and our very aims have been misstated and condemned.

"The British people have no reason to doubt our sincerity. We called on our people to come in and lay down their arms.

"How many million pounds were saved to the British nation by that surrender it is needless now to reckon up.

"Having accepted the terms Lord Kitchener was authorized to offer us we never sought to have them modified. What we sought for was not a modification of the terms of the peace treaty, but the immediate help of which our people are in sore need.

"Having come to plead a cause which should speak eloquently enough for itself, we are sorely disappointed by the result. At least, we have had every reason to consider that we have failed in our errand.

"It is assumed that we did not take kindly to a loan. That supposition was gratuitous. As to the shape in which material help should be given we had neither the right nor the will to pick and choose. But, having seen no prospect of receiving such help, we appealed in urgent need to all the nations of the world.

"That course has been sharply criticised. So far as we can see all our appeal to foreigners implied was that our people were in sore need of instant relief and that we were willing to undergo the humiliation of pleading for it.

"Memories of help withheld, despite pressing need and urgent appeal for justice or generosity, are certain to live long, die hard and inflict damage out of all proportion to their seeming importance."

GIGANTIC COAL PROJECT.

Pittsburg, Pa., Oct. 30.—Work has just been started on a most important mining venture in western Pennsylvania. Guffey & Queen, the well known oil producers, associated with the old Carnegie Steel company interests, have formed the Great Lakes Coal company, with $5,000,000 capital; have acquired 25,000 acres of coal near Bradys Bend; have begun the opening of ten large mines and will open five more, giving them a daily output of 12,000 tons. It is the intention of the company to enter aggressively in the great lakes coal trade during the coming spring, and preparations have already been made to stock the coal in the coming spring and ship it at the opening of navigation to Conneaut Harbor over the Pittsburg, Bessemer and Lake Erie railroad. Over 1,000 men have been put to work constructing eighteen miles of what will be a fifty-mile line from Red Bank to New Castle, thoroughly opening the monster tract. It is the expectation that this road, known as the Western Allegheny, will become an important link in the Pennsylvania system to relieve the freight congestion of the Pittsburg district.

MISS TELLER FREED ON WRIT.

Valparaiso, Ind., Oct. 30.—Judge Gillett last night granted a writ of habeas corpus in the case of Josephine Teller, who escaped from the Jacksonville, Ill., asylum, and she was released from custody. Dr. Sharpe will appeal the case to the supreme court. Miss Teller is a cousin of Senator Teller, of Colorado, and was confined in the asylum at the instance of her brother, John Teller, of Denver. She came to this city under an assumed name and her presence became known only when she declared her intention to bring suit against her brother for heavy damages. The asylum officials came here after her, but she escaped from them through the aid of friends and left the city, coming back two weeks ago. Dr. Sharpe again tried yesterday to take her back to Jacksonville, but was prevented. Her friends declare she is sane and will fight any attempt to take her out of the state.

THREE KILLED IN WRECK.

Oxford, Ohio, Oct. 30.—The express for Chicago, over the Cincinnati, Hamilton and Dayton and the Monon routes, collided with two runaway freight cars last night, wrecking the engine, baggage car and mail cars. Engineer Edward Conn and two unknown tramps were killed. The wrecked cars were burned. None of the passenger coaches left the track and none of the sixty passengers was hurt, although all were badly shaken up. The freight cars were detached from a train that took the siding here to allow the Chicago express to pass and had gained terrific speed when they struck the passenger train.

LIGHT ON BOUNDARY STONES

ARE REMAINS OF HUTS BUILT BY ALASKAN INDIANS.

An Interesting Version of a Primitive Modus Vivendi Fixed by Hostile Tribes.

Victoria, B. C., Oct. 30.—Archibald Cameron, road superintendent, who has just arrived here from Porcupine, says the line of boundary monuments alleged to have been discovered and stated to be the demarcation of the Alaskan boundary are the ruins of stone huts built by the Indians of the interior, where they met those of the coast on a neutral ground about 66 miles from tidewater and about 10 miles beyond the timber line.

He describes the origin of the huts as follows:

The Indians of the coast, and those of the interior, were jealous of each other, in fact were hereditary foes and it was only after generations of bitter feud that an armed truce was established between them. Before the arrangement of this aboriginal modus vivendi, the interior or Stick Indians, were not allowed to hunt or trap on the Pacific slope, the coast or Chilas Indians holding all the territory which lies between the sea and the mountains as their particular reserve.

When the Russians established trading posts on the coast of Alaska, the Chilas sent envoys to the Sticks and proposed peace terms so that their furs could be exchanged. A truce was made by which the Sticks were allowed to come across the divide laden with furs to a certain point, where the Chilas met them with a stock of goods from the storehouses of the Russians and there at stated times of the year a great Indian fair was held. The meeting place was outside of the timber line and as no wood was available, the Indians built stone huts of the most primitive construction, and these huts were used in common year after year by the traders. These were the so-called monuments.

REFUSED TO FURNISH BOND

AARON LISCHY LOSES SHADE TREE CONTRACT.

Board of Works Makes Award to the Next Lowest Bidder—News of City Hall.

The board of works had troubles of their own on the shade tree problem in which Aaron Lischy figured to some extent. Mr. Lischy was the lowest bidder and was awarded the contract. Later he discovered that he had made a mistake and wanted the board to advance his figures, which the board refused to do, but advised Mr. Lischy to throw up the contract, whereupon it would be given to the next lowest bidder. This the successful contractor refused to do and declared that he would fill the order even if he went broke. Yesterday he appeared at the clerk's office to enter into contract, but when asked to file a bond grew very indignant and said that he would not file a bond, and he didn't. The board this morning, after his repeated refusal to give a bond, gave the contract to Matthias Mettler for $138.50; that being the next lowest bid. The contract calls for 250 silver leaf maple, 50 Carolina poplar, 25 cut leaf birch and 25 horse chestnut. The birch are the most expensive, ranging from 90 cents to $1.50, according to calibre and height; the silver leaf average 29 cents each and the Carolina, the best of fast growing trees, range from 35 to 50 cents each.

COMPLAIN OF STREET.

Complaints have been lodged with the board of works regarding the manner in which Maumee avenue is protected by the contractors laying the new pavement. The Walton avenue intersection has been completely closed for three days and as it is the most important street intersection in the east end it has occasioned no end of annoyance. The intersection has been partly closed for a month, but was never entirely shut off until three days ago. At night it is not adequately protected by red lights and in the day time the barricade is half a square away from either adjoining corner. This occasions much annoyance to users of the highway, especially farmers who get close to the barricade before noticing it and are then obliged to turn their teams, frequently with heavy loads, in order to find an egress. Chairman Eggemann said that he would order the crossing planked tomorrow so that the intersection at least could be used.

CITY HALL NOTES.

The board of works will meet in regular session tonight. The principal business will be the confirmation of several small improvement assessments.

A new case of smallpox was reported to the board of health last evening in the family of B. E. Harring, at 653 Putnam street. The house has been quarantined.

A building permit has been issued to John Anderson to erect a dwelling house on Shawnee avenue at a cost of $1,000.

THE WORST FORM.

Multitudes are singing the praises of Kodol, the new discovery which is making so many sick people well and weak people strong by digesting what they eat; by cleansing and sweetening the stomach, and by transforming their food into the kind of pure, rich, red blood that makes you feel good all over. Mrs. Granfill, of Troy, I. T., writes: For a number of years I was troubled with indigestion and dyspepsia, which grew into the worst form. Finally I was induced to use Kodol and after using four bottles I am entirely cured. I heartily recommend Kodol to all sufferers from indigestion and dyspepsia. Take a dose after meals. It digests what you eat. Meyer Bros. & Co.

A MELANCHOLY FORETASTE.

London, Oct. 30.—The Globe this afternoon, commenting on the "tube" railroad debate in the house of commons yesterday, says: "Last night's proceedings were a melancholy foretaste of what we are to expect under the rule of American capitalism. The real sting consists in the fact that American syndicates should have been allowed to fight over the body of the London citizen." The paper attributes the present condition of affairs to the apathy of the British investor, but declares it is "better to muddle on, over-crowded and badly served as we are, than to place our means of locomotion in the hands of trans-Atlantic railway jobbers." In conclusion the Globe urges the government to control the "tubes." The other afternoon newspapers comment on the situation in a similar tone.

BEVERIDGE'S VOICE FAILS.

Lagrange, Ind., Oct. 30.—The voice of Senator Beveridge gave out here yesterday after he had addressed a large crowd about half an hour, and he was forced to stop speaking. He was suffering from a cold contracted while speaking in Cincinnati and from the first his voice was low, but he remarked that it would be a cold day when he could not speak for the republican party. He continued only a few minutes, however, when he was compelled to take his seat.

CALL SCHWAB MAD AMERICAN

ITALIANS GLOAT OVER HIS EXPENDITURES.

Steel Magnate's Friends Worry Over His Refusal to Rest for His Health's Sake.

Pittsburg, Pa., Oct. 30.—The Dispatch prints today the following copyrighted cable from its London correspondent:

"The conditions and actions of C. M. Schwab, president of the United States Steel corporation, have become the chief topic in London. The continental press today conveys further details of his somewhat interesting conduct in Rome and the Italian provinces. These have been supplemented by a private letter received by an American from Rome, according to which the American multi-millionaire and Pittsburger is spending money with a recklessness fairly amazing to the European mind. It is stated in this letter that half the professional beggars in Italy are besieging Mr. Schwab, who has a suite at the Villa Deste, for which he is paying $80 a day, an unprecedented rate in the Italian capital.

SCHWAB REFUSES TO REST.

"The American steel king absolutely refuses to rest. He is continually on the go. When he is not chartering a special steamer on Lake Como he rides all day with Mrs. Schwab, his secretary, a physician and a masseur. In addition to purchasing two more motor cars of the swiftest and most costly type, he paid $1,000 for a small bronze statuette. Traveling on special trains over the continent has become a pastime and driving, motoring, walking and boating have become the order of the day.

"It is current gossip that the idiosyncrasies of Mr. Schwab have been the cause of some worry to the officers of the steel corporation.

MAY GIVE BIG SUM TO POPE.

"According to the letter, also, Mr. Schwab will likely have an audience with Pope Leo and it is rumored that he will donate a large sum of money to the church.

"The letter concludes: 'I'm afraid Mr. Schwab will not experience a rapid recovery. His friends and attendants are under a great strain owing to his incessant recklessness. I understand he may be taken to Egypt or even around the world in the hope that a change of scene will prove beneficial. He is throwing money away like water. Italians never met such a man, and professional beggars regard his stay here as the chance of a lifetime. It is even doubted that he will retire wealthy. When he appears in public he attracts almost as great a crowd as the king himself. He is referred to everywhere as the "Mad American."'"

Mr. Owen Dunn, of Benson Ferry, W. Va., writes: "I have had kidney and bladder troubles for years and it became so bad that I was obliged to get up at least a dozen times a night. I never received any permanent benefit from any medicine until I tried Foley's Kidney Cure. After using two bottles I am cured. For sale by Dreier & Bro. and Pellens & Polster.

PEPSIN SYRUP CO.
Monticello, Ill.

Gentlemen:—For over four years I suffered with frequent sick headache, a dull, heavy pain over my eyes and the back of my head, often making it necessary for me to go to bed. At times I was sick at my stomach, would vomit, which was followed by a very faint, depressed feeling. I had blistered the back of my neck and soles of my feet and found only temporary relief. One day when my husband went to the drug store to get something to relieve me, the druggist advised him to get

Dr. Caldwell's (Laxative) Syrup Pepsin

and as he bought a bottle and brought it to me. It was certainly a God-send, as within three hours I felt better and very soon all the pains were gone. I kept taking it for two weeks, and during that time had no further trouble. In the instrv years I have used six bottles altogether, and I have never had a sick day, thanks to your splendid medicine.

Yours very truly,
MRS. ANNA DALY, 1263 W. Madison St., Chicago, Ill.

Mrs. Daly is an accomplished golf player, being treasurer of the West Side Women's Golf Club of Chicago.

STORK TIME

to most women is a term of anxiety, serious thought and sweet anticipation.

With the cessation of pain necessary to childbirth, there comes calm nerves, sleep and recuperation.

MOTHER'S FRIEND

does diminish the pain accompanying maternity. With its aid mothers can and do bring healthy, sweet dispositioned and ideal babies into the world.

Morning sickness, sore breasts and excruciating pains caused by the gradually expanding organs, are relieved by this penetrating and relaxing liniment.

Among the manifold aids to childbirth **Mother's Friend** has grown in popularity and gained a prestige among rich women as well as poor; it is found and welcomed in the mansion as well as in the cabin.

By lessening the mother's agony of mind and diminishing pain a beautiful influence is wrought upon the child, and instead of peevish, ill-tempered and sickly forms you have healthy, laughing humanity, remaining a blessing ever to you and its country.

All Druggists sell Mother's Friend at $1.00.

THE MARKETS.

Chicago, Oct. 30.—News in general was again against higher prices in wheat, cables being lower, receipts larger with improved grading and weather extremely favorable. As a result of these conditions the market opened easier with but little interest manifested. In spite of all these bearish statistics the offerings early in the day were comparatively light, which helped to maintain prices. December opened a shade to ¼@⅜c lower at 72½c to 72¾c, advanced to 73⅞c, but declined again to 72½c. Minneapolis and Duluth reported receipts of 907 cars, which, with local receipts of 94 cars—with 14 cars contract grade—made total receipts for the three points of 1,001 cars against 1,084 cars last week and 628 cars a year ago.

The market held steady on buying by a prominent bull and December, after selling at 72½c, closed unchanged at 72¾@72⅞c.

Good weather and easier cables combined to make the opening in corn weak and lower. Commission houses liquidated considerable December and pit traders also were inclined to the selling side. December opened ⅛@¼c to ⅛@⅜c lower at 49⅜c to 50c and the early trading was without a narrow range. Local receipts were 13 7cars with 27 of contract grade.

During the latter part of the day the market was firm on covering by shorts. December rallied to 50¾c and the close was ⅛c higher at 50⅜@50⅝c.

Oats opened lower in sympathy with other grains. The volume of business was light and no special features were noticeable. December opened ⅛c lower at 30⅜c. Local receipts were 158 cars.

Provisions opened easy with the exception of ribs, which were about unchanged. Trading was dull, January pork opening 2½c to 5c lower at $15.52½ to $15.55; January lard was 2½c lower at $8.30, while ribs opened unchanged at $8.25.

THE CLOSE.

Prices at the close were as follows:
Wheat—Dec., 72⅝@72⅞c; May, 74⅛@74⅜c.
Corn—Oct., 55¾c; Dec., 50⅜@50⅝c; Jan., 43⅞c; May, 42⅜@43c; July, 42½c.
Oats—Oct., 29¾c; Dec., 30⅛@30½c; old, 28¼c; May, 31⅜c.
Pork—Oct., $16.65; Jan., $15.00; May, $14.77½.
Lard—Oct., $11.10; Nov., $10.85; Dec., $9.90; Jan., $9.35; May, $8.02½.
Ribs—Oct., $12.50; Jan., $8.25; May, $7.80.
Flax—Cash N. W., $1.20; S. W., $1.18; Nov., $1.19; Oct., $1.20; Dec., $1.18; May, $1.20½.
Rye—Dec., 50¾c; May, 52¾c.
Barley—Cash, 35@58c.
Timothy—Oct., $4.10; Jan., $4.20.
Cloverseed—Oct., $11.15.

BUTTER, CHEESE AND EGGS.

Chicago, Oct. 30.—Butter—Market steady; creamery, 18½@24½c; dairies, 15@21c.
Eggs—Market steadier, 22c.
Cheese—Market steady; twins, 10½@11c; daisies, 11½c; young Americas, 11½@11¾c.

CHICAGO LIVE STOCK.

Chicago, Oct. 30.—Cattle—Receipts, 8,000, including 2,500 westerns; market slow. Good to prime steers, $6.75@8.00; poor to medium, $3.50@6.50; stockers and feeders, $2.25@5.00; cows, $1.80@4.50; heifers, $2.00@5.00; canners, $1.40@2.50; bulls, $2.00@4.50; calves, $3.75@7.25; Texas fed steers, $3.00@4.25; western steers, $3.50@6.25.
Hogs—Receipts today, 21,000; tomorrow, 18,000; left over, 2,305; market opened 5@10c higher. Mixed and butchers, $6.40@6.80; good to choice heavy, $6.65@6.85; rough heavy, $6.20@6.60; light, $6.20@6.65; bulk of sales, $6.40@6.65.
Sheep—Receipts, 15,000; sheep and lambs steady to strong. Good to choice wethers, $3.50@4.05; fair to choice mixed, $2.50@3.40; native lambs, $3.50@5.60.

THE DAY ON WALL STREET.

New York, Oct. 30.—Supporting orders were in evidence in some stocks at the opening, particularly St. Paul and some of the Pacifics and Coalers. Other stocks, however, were under pressure including Louisville, Atchison, Illinois Central and United States Steel. Fluctuations either way were limited to small fractions and trading was dull.

Room shorts showed some concern over the indications of inside backing to the market and promptly covered in the stocks which showed the most pronounced weakness yesterday. St. Paul, Missouri Pacific, Texas and Pacific, Baltimore and Ohio, Manhattan, Brooklyn Rapid Transit, Cotton Oil and Rock Island averaged a point above yesterday's final prices while New York Central, Illinois Central and Louisville sold as much above the opening figures. In some of these stocks the dealings were quite active, but operations were not on as large a scale as on yesterday. United States Realty and Construction stocks were dealt in for the first time at 31½ to 31⅞ for the common and 74 to 75½ for the preferred.

Small realizing sales followed the advance, but the market readily absorbed these offerings and recovered to the highest. Delaware and Hudson gained 3 points and Iowa Central and Kansas and Texas preferred 1@1½. Norfolk and Western lost 2. The market lapsed into its recent stagnancy again before noon, but held steady. Less apprehension existed about the probability of early gold exports, demand sterling bills selling a shade below yesterday's close, and the market tending toward further ease.

Bonds were steady at noon.

SHOE HOUSE ASSIGNS.

Cincinnati, Ohio, Oct. 30.—The Foreman Shoe company, of this city, assigned today to Dr. W. R. Thrall. Liabilities, $70,000; assets, $40,000. The receiver will continue to run the store. The application for a receiver was made to the federal court by S. O. Levinson, an attorney of Chicago. The reason given in the petition is that the Bradshaw Shoe company and the G. A. Kantrowitz company, both of Chicago, had assigned owing the Foreman company, of Cincinnati, over $40,000. A. J. Becker and others of Chicago, including several Chicago banks, joined in the application for a receiver.

SMALLEST FEDERAL FEE.

Charles Henry Gibbs, keeper of the "bug light" at Nantucket, annually about July 20 receives a check for $1, his yearly salary. This old lighthouse has been put out of action by shifting sands on the south side of Nantucket harbor, but the government allows this aged mariner to live in it and pays him this smallest of federal salaries.

SPENT MORE THAN $1,000.

W. W. Baker, of Plainview, Neb., writes: "My wife suffered from lung trouble for fifteen years. She tried a number of doctors and spent over $1,000 without relief. She became very low and lost all hope. A friend recommended Foley's Honey and Tar and, thanks to this great remedy, it saved her life. She enjoys better health than she has known in ten years." Fine Musical by Emanuel Choral Society Thursday, Oct. 30, 8 p. m., cor. Wilt and Union Streets. A rare treat. 28t3

IN NORTHERN INDIANA

Kokomo Elks will dedicate their new quarters during the week of December 7.

A car loaded with cloverseed valued at $4,612.17 was shipped from Portland Wednesday.

Henry Swetland, a well known farmer near Newville, DeKalb county, is dead at the age of 68 years.

William Glor, 26 years of age, died very suddenly while at work in a garden at Kendallville Wednesday morning. He was a victim of epilepsy.

Henry Hitesman, of Hartford City, who is demented, is missing with three bank certificates aggregating $765.65, the amount of his savings. He is 43 years old.

Burglars entered the home of James E. Blayney, at Wabash, and after securing the key from the pocket of Blayney's trousers while he slept opened a desk and secured $50.

The Wabash city council and the Logansport and Wabash Valley Gas company are clashing over meter rates. The company wants to charge 25 cents a 1,000, and the council refuses to renew the franchise unless gas is furnished at 19 cents.

Melvin Tyler, arrested at Logansport for intoxication, was released by Mayor Vaughn on condition that he return to the mayor's court and substantiate his claims as a violinist by giving a practical demonstration of his talent in that direction. Tyler claims to be the "Paganini of the Wabash."

Down at Kokomo they have discovered a new danger in rummage sales. It is claimed that a lady there ran out to kiss her husband as she saw him coming, but on reaching the spot discovered that it was another man who had purchased a suit of her husband's clothing at the rummage sale over which she had been so enthusiastic.

GOES LIKE HOT CAKES.

"The fastest selling article I have in my store," writes Druggist C. T. Smith, of Davis, Ky., "is Dr. King's New Discovery for Consumption, Coughs and Colds, because it always cures. In my six years of sales it has never failed. I have known it to save sufferers from Throat and Lung diseases who could get no help from doctors or any other remedy." Mothers rely on it, best physicians prescribe it and Dreier & Bro. guarantee satisfaction or refund price. Trial bottles free. Reg. sizes, 50c and $1.

Miss Grace Rothschild is home from Monticello academy at Godfrey, Ill., for a few days.

FORTY YEARS' TORTURE.

To be relieved from a torturing disease after 40 years' torture might well cause the gratitude of anyone. That is what DeWitt's Witch Hazel Salve did for C. Haney, Geneva, O. He says: "DeWitt's Witch Hazel Salve cured me of piles after I had suffered 40 years." Cures cuts, burns, wounds, skin diseases. Beware of counterfeits. Meyer Bros. & Co.

B. E. Haring, of 653 Putnam street, is suffering from smallpox, the case being reported to Health Commissioner MacBeth yesterday afternoon.

BRONCHITIS FOR TWENTY YEARS.

Mrs. Minerva Smith, of Danville, Ill., writes: "I had bronchitis for twenty years and never got relief until I used Foley's Honey and Tar, which is a sure cure." Contains no opiates. Sold by Dreier & Bro. and Pellens & Polster.

Allen J. Vesey was in Elkhart yesterday on a business trip.

No danger of consumption if you use Foley's Honey and Tar to cure that stubborn cough. Sold by Dreier & Bro. and Pellens & Polster.

THE CHILDREN ENJOY
Life out of doors and out of the games which they play and the enjoyment which they receive and the efforts which they make, comes the greater part of that healthful development which is so essential to their happiness when grown. When a laxative is needed the remedy which is given to them to cleanse and sweeten and strengthen the internal organs on which it acts, should be such as physicians would sanction, because its component parts are known to be wholesome and the remedy itself free from every objectionable quality. The one remedy which physicians and parents, well-informed, approve and recommend and which the little ones enjoy, because of its pleasant flavor, its gentle action and its beneficial effects, is—Syrup of Figs—and for the same reason it is the only laxative which should be used by fathers and mothers.
Syrup of Figs is the only remedy which acts gently, pleasantly and naturally without griping, irritating, or nauseating and which cleanses the system effectually, without producing that constipated habit which results from the use of the old-time cathartics and modern imitations, and against which the children should be so carefully guarded. If you would have them grow to manhood and womanhood, strong, healthy and happy, do not give them medicines, when medicines are not needed, and when nature needs assistance in the way of a laxative, give them only the simple, pleasant and gentle—Syrup of Figs.
Its quality is due not only to the excellence of the combination of the laxative principles of plants with pleasant aromatic syrups and juices, but also to our original method of manufacture and as you value the health of the little ones, do not accept any of the substitutes which unscrupulous dealers sometimes offer to increase their profits. The genuine article may be bought anywhere of all reliable druggists at fifty cents per bottle. Please to remember, the full name of the Company—CALIFORNIA FIG SYRUP CO.—is printed on the front of every package. In order to get its beneficial effects it is always necessary to buy the genuine only.

Mrs. T. Webb, No. 57 Superior St., Fort Wayne, Ind., says: "Dr. A. W. Chase's Nerve Pills I got at Meyer Bro. & Co.'s Drug Store is a very fine, all round regulator and tonic to the nerves—blood—digestion—and system generally. I felt generally wrong in every way and debilitated. The medicine built me up, steadied the nerves and regulated the digestion finely. I think as I said before it is a fine all round tonic and regulator."

Dr. A. W. Chase's Nerve Pills are sold at 50c a box at dealers or Dr. A. W. Chase Medicine Co., Buffalo, N. Y. See that portrait and signature of A. W. Chase, M. D., are on every package.

OPTIMISTIC VIEW

SUPT. BARNES BELIEVES LABOR SITUATION BETTER.

STRIKE WILL END TUESDAY

AT MEETING OF MR. RAMSEY AND THE COMMITTEE.

PENNA'S NEW ENTERPRISE

WILL MAKE A HARBOR ON LAKE ERIE.

Motive Power Superintendent J. B. Barnes, of the Wabash, arrived in the city yesterday afternoon and will remain here until tomorrow afternoon. In conversation with a Sentinel representative Mr. Barnes expressed the belief that the wage question at the company's shops in this city and elsewhere would soon be amicably settled. Mr. Ramsey will meet a committee in St. Louis next Tuesday and Mr. Barnes is of the opinion that the president and the committee will be able to reach an agreement which will not only end the strike of the boilermakers, but be satisfactory to the men employed in the other departments. In explanation of Mr. Ramsey's refusal to grant the increase as demanded by the men, Mr. Barnes said the demand was so sweeping and indefinite in character that it did not afford proper basis upon which to figure in accordance with the proposition of the company to pay as much for any kind of work as any of the companies directly in competition with the Wabash in a business way. The sticking point in this question at present is, "What roads are included in this class?" a problem that the conference will probably settle. Mr. Ramsey also expressed a willingness to take up the proposition of the men to consider the wage question according to the location of the shops, and, if necessary, fix upon a scale separately at Fort Wayne, Springfield, Moberly and Decatur, said scale to cover the division on which the main shops are located. Mr. Barnes stated that he would issue transportation to St. Louis to any men the employes may designate as their representatives at the conference with Mr. Ramsey. He also said that the agreement reached at the conference would cover October and that any increase that may be decided upon will affect the earnings of the men in the shops for that month as well as future months. In the foregoing lines the reporter has aimed to give the substance of Mr. Barnes' remarks and no effort has been made to quote him word for word. So far as could be learned by talking to the machinists this morning, nothing in the way of news has been received from the committee now at Springfield and in that shop the situation remains as it has been since the walk-out of the boilermakers. The machinists are all at work.

Got on the Wrong Train.

Lima News: "There was an amusing instance in railroading here last night when two freights on the Pennsylvania pulled in about midnight. They passed here, one being eastbound, the other westbound. Each laid here long enough to get orders and when the eastbound train pulled out a brakeman off the westbound climbed aboard, and did not discover his mistake until several miles eastward had been reeled off. Then he started hot-footing it back to Lima. In the meantime the westbound train had reached Delphos before it discovered that its 'shack' was a minus quantity. The crew was sure he lay somewhere along the track between Delphos and Lima, mangled and bleeding, possibly dead. Consequently, with trainmen's tender sympathy for each other in event of accident or death, the train was backed up slowly every inch of the way to this city and a diligent lookout kept for the body of the missing 'shack.' Lima was reached and no body found, and just as they were getting ready to pull out and give their buddy up as lost beyond recovery a light was seen flickering down the track toward Ada. After a while its bearer showed up and proved to be the misguided 'shack.' The interview between him and his conductor and the balance of the train crew was somewhat heated and not fit for publication."

Lawyers Devise Engine.

L. and W. A. Hicks, Cincinnati lawyers, have devised a locomotive cylinder that is said to perform more work with less steam consumption than any cylinder now in service. The machine has been in Purdue university undergoing a series of tests and Prof. Goss pronounces it a decided improvement over other cylinders. The main feature of the machine is the cylinder. It consists of a cylinder within a cylinder, the inner one being open at both ends and surrounded by steam at boiler pressure, thus being heated to the same temperature of the steam and allowing no condensation of steam and loss of heat by radiation.

Will Be a Notable Meeting.

The convention of the United Railway Employes' association at Springfield, Mass., will be one of the most important meetings to the railway men ever held. The program, which is completed and is being sent out to interested parties, includes addresses from leading brotherhood and railway men in the country, including Grand Chief Arthur, of the Brotherhood of Locomotive Engineers; Chief E. E. Clark, of the Order of Railway Conductors; Grand Master Hurahan, of the Brotherhood of Locomotive Firemen, and F. P. Sargent, commissioner general of immigration.

Blodgett's Funeral.

Cleveland, Ohio, Oct. 30.—The funeral of P. S. Blodgett, late general manager of the Lake Shore and Michigan Southern railway, took place this afternoon, the services being held in Calvary Presbyterian church. The sermon was preached by Dean Williams, of the Trinity Episcopal cathedral. The services were most impressive, the hymns sung being selected by Mr. Blodgett shortly before his death. The floral offerings were elaborate and in great profusion. All the general railway offices in the city were closed this afternoon as a mark of respect to the deceased. Many prominent railway officials were included in the list of active and honorary pallbearers. Among the latter were W. H. Newman, president of the New York Central and Lake Shore roads, and W. C. Brown, vice president of the same companies. The body was placed temporarily in a vault at Lakeview cemetery.

Almost Freight Blockade.

On account of lack of power to move trains, premonitory symptoms of a freight blockade have appeared on the Pittsburg road. By keeping trains and cars out of the yards until there is power to move them in regular trains towards their destination, a serious blockade at the east yards has been averted. A long train of cars loaded with eastbound freight stood on the siding at the electric works and on the north side of the Wabash shops from 7 o'clock yesterday morning until 10 o'clock this morning. At the latter hour two engines came down from the east yards and hooked onto the string of cars and the start for the east was made. The Pennsylvania company is doing the greatest freight business of its history and could do more had it engines to move the cars. It is said that the company could use twenty-five more engines than it now has in service on the western division.

Takes Clerical Position.

Ed Lindemann will take a position in Shop Clerk J. H. Hobrock's office, at the Pennsylvania shops, in a day or two. For several months Mr. Lindemann has been engaged in the insurance business, and while he has been fairly successful, he does not like that kind of work very well, hence the change. Before going into the insurance business Ed was employed as a clerk in the freight office of the Pennsylvania and he is familiar with the company's methods of work and will make a good and faithful employe in the shop clerk's department. He will be welcomed by the other clerks, with whom he was always quite popular.

Sink Hole is Filled.

The sink hole at Lorain, which has retarded the erection of a bridge on the Nickel Plate for many weeks, has been filled and a solid foundation for a pier secured at last. This sink hole was encountered about 500 feet from the channel of the river and at first it was supposed to be quicksand, but Chief Engineer Hart finally decided that it was simply muck, which was forced aside until a safe base was established for the stone work, after 5,000 yards of dirt had been dumped into the hole. The bridge to be erected at that place will be 900 feet long and work upon it is being pushed rapidly along.

Joseph Gair Dying.

Mrs. Frank Benoy left this morning for Stony Island, upon receipt of a telegram from her sister stating that the latter's husband, Joseph Gair, was lying at the point of death. The sick man is well known in Fort Wayne and this news will be read with sorrow by the Sentinel subscribers. Mr. Gair is foreman of the Nickel Plate blacksmith shops at Stony Island, a position he has filled ever since the shops were established. Before going to that city, Mr. Gair was employed in the Wabash shops in this city and later in the Muncie shops, now the Lake Erie and Western.

Will Quit Railroading.

Conductor W. E. Everts has purchased thirty-five acres of land at La-Otto and will quit railroading and engage in raising onions as soon as he can dispose of a house and lot in Bellevue. In this connection the Bellevue Gazette adds: "The land in that section is said to be well adapted to the growth of this highly scented vegetable and produces from five to eight hundred bushels to the acre. Mr. Everts has been in the employ of the Nickel Plate for the past thirteen years and is a faithful and valuable employe."

Accident at Cinder Pit.

While taking some cars out of the cinder pit at the Pittsburg round house last night, three of them broke loose from the engine and went back into the pit at the rate of two miles a minute. One of the cars, a gondola, loaded with cinders, broke down the bumping post and crashed through the end wall of the pit to the depth of three or four feet. Luckily the cars were not seriously injured.

NURSING MOTHERS

A mother's poor health is bad enough for the mother but worse still for the nursing baby.

Mothers find Scott's Emulsion a nourishing and strengthening food. If the breast milk is scanty or thin Scott's Emulsion will make it rich and more abundant.

When mothers take Scott's Emulsion the babies share in the benefits. Thin babies grow fat. Weak babies get strong.

We'll send you a little to try, if you like.

Will Make New Harbor.

Pittsburg, Oct. 30.—H. C. Frick, A. W. Mellon and R. B. Mellon, of this city; A. J. Cassatt, president of the Pennsylvania railroad; the whole board of directors and other officials of the Pennsylvania, are holding a conference in Erie today that may consummate one of the most important deals recently made by the Pennsylvania railroad. On October 20 a deal was completed in this city whereby A. W. Mellon and R. B. Mellon became possessors of one of the most valuable sites on Lake Erie for a harbor, a railroad charter and a land company with options lying around the mouth of Elk creek. The interest of H. C. Frick in the plan has been heretofore kept secret. This land lies only a short distance from the lines of the Erie and Pittsburg division of the Pennsylvania railroad and is the only available harbor site left in Pennsylvania. The conference between the Pittsburg men and the Pennsylvania officials today is understood to be for the purpose of making an agreement whereby the Pennsylvania railroad can build a branch from the Erie and Pittsburg division to tap this new harbor.

Officials Here Last Night.

Supt. S. E. Cotter and Trainmaster C. E. Wells came up from Peru on Wabash train No. 4 last evening and remained here until this morning, when they left for Toledo on No. 70. This train is a local freight and the officials travel by it in order that they might come more closely in touch with the freight agents at all the stations and their methods of doing business. They will return to Peru tonight.

Patternmaker Transferred.

Patternmaker A. B. Houck, who has been employed a number of years at the Bass shops, has been transferred to the shops of the Fort Wayne Foundry and Machine company, on Superior street. The latter establishment is also the property of Hon. J. H. Bass and Mr. Houck does not, therefore, change employers. He expects to return to the Bass works as soon as the present demand for his services at the iron works has passed.

Will Invoice the Stock.

Motive Power Clerk F. D. Reed, Shop Clerk J. H. Hobrock and Storekeeper C. P. Cherry will invoice the stock of car and engine supplies at Columbus of the Columbus, Sandusky and Hocking road, which was recently purchased by the Pennsylvania company. Mr. Cherry went to Columbus last night and Messrs. Reed and Hobrock will go there tonight.

Blacksmiths Will Meet.

A special meeting of Fort Wayne union, No. 222, International Brotherhood of Blacksmiths, will be held this evening for the purpose of transacting some important business. The reporter is informed that a part of the business will be to look into the wage situation at the Wabash smith shop and to determine what action, if any, is advisable for the union to take.

Industrial Notes.

Pittsburg Fireman W. Arick is sick and off duty.

Nickel Plate Brakeman Cole is threatened with typhoid fever.

C. M. Seymour, a Nickel Plate brakeman, is sick and off duty.

Gibson E. Sisco is performing some special work for the motive power department of the Pittsburg this week.

George Kronmiller, a Grand Rapids brakeman, had the back of his right hand badly bruised while out on his run yesterday.

Foreman H. T. Hogan, of the Pittsburg machine shop, returned from Notre Dame yesterday. He visited his son Harry at the university.

Mrs. W. F. Jungles, wife of a Pennsylvania engineer, and Fireman and Mrs. J. Trimble, will go to Chicago tomorrow to visit relatives and friends.

The top of one of the wagons of the City Trucking company caught on one of the safety gates at the South Calhoun street crossing yesterday afternoon and the gate was demolished. The driver started his horses up before the gates were high enough to clear the vehicle.

A. F. Watson quit a position he held at the Pennsylvania cinder pits and James E. Zulman has taken the place.

Charles Winkler, of Foreman Fred Meyers' room at the Bass Foundry, is off duty on account of a mashed finger. The accident happened yesterday.

C. Doehrman and H. Rohrback, Pittsburg shopmen, are off duty today, the latter for the purpose of moving his family into more pleasant quarters.

E. F. Yarnelle has placed an order for a launch with the Kehoe Boat company, the boat to be twenty-three feet long and to be delivered next May at Winona.

M. K. Griffith, who was off duty on account of the sickness of his wife, and H. W. Karthoil, who was sick a few days, reported for duty at the Pittsburg blacksmith shops this morning.

William Sherbondy, electrician for the Pennsylvania company, has returned from St. Louis, where he spent several days in the interest of the department.

Two freight cars were derailed in the Nickel Plate yards last night, causing trouble to the yardmen for a short time. Traffic at that point was delayed awhile; otherwise there was no particular damage.

Theodore Doebler, a clerk at the Pittsburg round house, called there this morning to say that if he continued to improve he would resume his duties at the desk tomorrow morning. Mr. Doebler has been ill about two weeks.

Engineer P. Golden, one of the oldest engineers on the Panhandle, was buried at Xenia, Ohio, Monday. Sixteen years ago he ran an engine with several cars from Cincinnati to Columbus, 129 miles, in 111 minutes, which was the fastest record of those days.

Boilermaker W. Bicknell, who works in the night gang at the Pittsburg shops, fell off an engine at an early hour this morning, alighting upon a barrel hoop, in which there was a nail. This nail entered the man's shoulder to a depth of an inch, inflicting a most painful wound. Dr. Stemen attended Mr. Bicknell. C. Kreuckenburg, of the car machine shop, had a finger mashed while removing a nut from a bolt. Brakeman C. E. Thorton, of the Pittsburg, fell at Winslow yesterday while running along the tracks, struck his face against the rail and was quite painfully hurt. A gash was cut in his nose, another above the left eye and one of his legs was cut and bruised below the knee. He was brought to the city and taken to his home on Hayden street, where he received attention from a company surgeon. William Wilkinson, of the freight house, sprained his back last night.

A FAMOUS MINISTER TO LECTURE ON SOCIALISM.

The Rev. Wm. Thurston Brown, pastor of Plymouth Congregational Church of Rochester, N. Y., will lecture on Socialism tonight in the assembly room of the court house. He has become famous as a pulpit orator, being fearless and eloquent, and a brilliant student of men, books and social conditions. Everybody should hear this great apostle of Socialism and the labor problem.

BRIBERY FUND IN COURT.

St. Louis, Mo., Oct. 30.—The taking of testimony in the trial of Edmund Bersch, former member of the house of delegates, on the charge of perjury, before the grand jury, began in Judge Ryan's court room today, the jury having been selected yesterday. While Philip Stock was on the stand the $75,000 from the safety deposit vault of the Lincoln Trust company was produced by Circuit Attorney Folk, identified and counted. Stock, who is secretary of the St. Louis Brewing association, testified that he was employed by President Charles H. Turner, of the St. Louis and Suburban railway, to secure the passage of council bill No. 44. He said that he first met John K. Murrell, of the house of delegates, in relation to the bill October 18, 1900. Murrell representing the house combine. Murrell proposed to get the bill through the house for $75,000, which, witness testified, he deposited in the Lincoln trust vaults for Murrell.

PATIENT HAS BROKEN BACK.

One of the most remarkable cases ever brought to a Fort Wayne hospital will arrive in the city this evening for treatment under the direction of Dr. C. B. Stemen, at St. Joseph's hospital. The patient is Mrs. Sturgis, of Sturgis, Mich., 40 years of age, who sustained a fracture of the spine four weeks ago in a fall from a load of hay. Dr. Stemen intends, if the condition of the patient will warrant it, to perform an operation for the correction of the trouble. The operation is a very rare one, but it was successfully performed by Dr. Stemen some years ago. Mrs. Sturgis comes from a very prominent family, the town of Sturgis having received its name from her husband's ancestors.

REPRESENTS TOBACCO WORKERS

J. S. Whalen, of Rochester, N. Y., is a guest at the New Aveline today. Mr. Whalen is a member of the general executive board of the International Tobacco Workers' union, and he is making a brief visit to the city while en route home from St. Louis. He has been looking up matters there in the interest of the union organization, and stopped in Fort Wayne to make an inspection in connection with his official capacity. He leaves for the east late this afternoon.

MOLINEUX MAY TESTIFY.

New York, Oct. 30.—Counsel for the defense in the Molineux trial moved today that the court direct the jury to acquit the defendant on the ground that the evidence was insufficient. Justice Lambert denied the motion. After the adjournment Mr. Black was asked if Molineux will take the stand in his own behalf. "There is a strong likelihood that we shall call Mr. Molineux," he said, "but nothing has been decided."

HOLDING FINAL MEETING.

Trustees of the Indiana School for Feeble Minded Youth are at the institution this afternoon, holding the last trustees' meeting which closes the business of the school for the fiscal year. At the session today a multitude of matters will be gone over covering the work of the school for the past year, which has been most successful and satisfactory.

LOCAL LINES.

Judge Frank S. Roby, of the appellate court, is in the city.

Dr. and Mrs. S. K. Collett, of Van Wert, Ohio, are the guests of Mr. and Mrs. A. G. Estry, of South Broadway.

Born, to Mr. and Mrs. John Lanigraff, of East Pontiac street—a daughter.

Dr. W. A. Jones, general agent of the Union Central Life Insurance company, is quite ill at his home on West Wayne street.

W. J. Allison, who comes from California, has leased the Trentman building immediately south of the First National bank, and it is announced that he will open a general notion store there at once.

Rev. William Thurston Brown, formerly pastor of Plymouth Congregational church at Rochester, N. Y., has arrived in the city and will deliver a lecture on "Socialism," at the court house assembly room this evening. Rev. Brown is said to be a most able speaker and has won wide renown as an orator.

A vote for Jesse S. Batcheider, Sr., independent candidate for justice of the peace of Wayne township, is a vote for an honest administration of the law. 10-30-4t

WOULD NOT SHOCK THE JUDGE.

In a London court not long ago a certain king's counsel was appearing in a case of slander, which was being heard before a judge with whom, outside of court, he was on the best of terms.

The chief witness was a woman, who appeared to testify to the alleged slander.

"Now, madam," began the king's counsel, "please repeat the slanderous statements made by the defendant on this occasion just as you heard them."

"Oh, they are unfit for any respectable person to hear!" was the emphatic response as she looked indignantly at the barrister.

"Then," said the king's counsel, cunningly, "suppose you just whisper them to the judge."

CARD OF THANKS.

I desire in this manner to thank my friends and neighbors for their sympathy and kind assistance during my late bereavement.

W. L. BURTSFIELD.
